Attending Guests: Claudia Davis, Brian Davis, Steve Shakespeare, Dana Rowley, Gene Phillips, Tom Nielsen

Welcome, Prayer & Pledge of Allegiance: Meeting called to order by Frank. Frank provided the prayer, and Herman led the pledge.

Pine Valley Overlay Business: The board discussed the pending Kelsch project that was approved by the board last month and has not been paid.

October Meeting Minutes: Herman approved the minutes, Bob seconded, and all in favor.

Board Member Reports:

Frank noted the well-attended Halloween party. He mentioned the PVFD Open House had approximately 50 people attend.

Bob reported the traffic is half of what it was in 2021 during COVID. Usually, 80% of the traffic travels 30 mph or below. He noted traffic is much faster than 2021. Bob asked Rick about the insurance recovery from the wind-damaged sign; Rick responded that it was approximately $1200. Rick noted we spend about $1800 a year on traffic sign software. Bob asked if the signs were worth it, and Allen said it was money well spent and a good deterrent. Frank asked the board if they saw the Sheriff patrolling often enough, and all responded yes. Allen will visit the Sheriff's Department and provide the traffic sign data for their review of the trends. It will be added as an action item.

Herman reported the bookings, releases, and population at the Purgatory Correctional Facility are within parameters. Herman explained a property crime in the valley where strangers took some building material and tried a homeowner's door. Tom mentioned the importance of reporting illegal activity.

Mike mentioned the five-county is encouraging COVID-19 vaccines and the risk of RSV.

Community Watch: Gene encouraged anyone seeing unusual activity to report it to him or their block caption. Community Watch was at the PVFD Open House, and many watch members brought their radios in and asked questions.

Sheriff's Office Review: See Allen's comments in the Board Member Reports.

Community Center: Allen spoke with the district ranger regarding the property, and they do not want to do the administrative work for small pieces of property. They will speak with Commissioner Snow about doing a property swap.

Treasurer Report:

Rick previously supplied the September and October financials that required board approval. Bob moved to accept the September and October financials, and Herman seconded, all in favor.

Rick confirmed we received the new traffic sign, which was $1200. Rick asked the board if they would approve the sign monitoring data for $1350, noting the new sign will have one year of software data already included. Allen approved, Herman seconded, and all in favor.

Preliminary 2024 Budget Review:

Rick mentioned the budget ties into the PVSSD budget and suggested it be discussed in that meeting. Steve Shakespeare noted that the county is targeting February to begin the new combined special service district, which impacts the budget for 2024.

Citizens Request: None

Meeting adjourned. The next scheduled PVLAD meeting will be December 6, 2023
