**Meeting Minutes**:
Minutes of the Meeting for February 4, 2015 were read by each Board member. Dall motioned to accept the Minutes. Herman seconded the motion, and all else were in favor.

**Building Permits**: Mark and Stacey Owen – Aspen Meadows Lot 3. So far there has not been an Impact Fee paid, but Mary Esther will check back into that.

**Discussion of the Treasurer and Secretary Positions:**
Beverly (Secretary) will be heading off for school in Orem at the beginning of May. She will away from Pine Valley for half of each week. The Board has decided that they will find someone else to take the Minutes during the PVSSD meetings, but Beverly will retain the rest of her job as before. Bev will also start tutoring the new person on Bev's duties. Mary Esther will type up a job application for that position. Dean Cox has approved the PVSSD to hire for contract positions as needed. George (Treasurer) is resigning from his position totally. George said he will come up with a list of his duties and present those to the Board to use when hiring a person to fill his slot. George will also help train the new person. Herman will work on an application for George's position.

**Board Member Reports:** Received an e-mail regarding cross country skiers wanting us to alert their club regarding our weather for their skiing trips up on the campsite trails. The Board decided that was not something that we should be involved in. **Dall Winn:** The PVLAD meeting will start up again in April. The County Commissioner's meeting was on Tuesday and on their agenda was the voting in of our new PVLAD members – Alan Cannon and Bruce Bergeson. They will be welcomed to the Board during the April meeting.
**Jeff**: Absent
**Herman:** N/A
**John:** N/A

**Fire Chief:** See Gerald's report. * There was a reported sledding accident by the reservoir. The camp gates are supposed to be locked, but they were open during the heavy snow which allowed many sledders to head up to the reservoir area. The Forestry Department felt that the gate must have been opened by someone having a key, such as maybe a summer resident. Or maybe a contractor? They are asking us to help them keep an eye on the gate to make sure it is locked during this off season. John volunteered to help do that since he lives the closest to the gate. * Gerald mentioned the UPS delivery truck had to be pulled out of the snow again.

**Treasurer Report:** See George's Profit & Loss statements for March 2015.

Dall motioned to adjourn the meeting at 6:55 p.m. The next schedule PVSSD meeting will be April 1, 2015.
