B. Pine Valley Overlay Zone: No business

C. May Meeting Minutes: Bob reviewed and approved the meeting minutes, Herman seconded the motion, and all were in favor.

D. Board Member Reports:

1. Pine Valley Activities (Frank): Tom mentioned the Community Cleanup event on June 7.

2. Traffic Report (Tom): Tom asked Herman to report on Memorial Day traffic during his report.

3. Washington County Crime & Sheriff's Report: Herman provided a report regarding the Memorial Day weekend sheriff's coverage, noting that the PVLAD MOU (Memorandum of Understanding) paid for additional sheriff's coverage over the holiday weekend. The number of stops and citizen contacts (citizens approaching the sheriff for inquiries) is as follows:

    - Saturday**:** 5 stops and 3 citizen contacts
    - Sunday**:** 6 stops and 4 citizen contacts
    - Monday**:** 12 stops and 2 citizen contacts

    A total of 23 stops were made across the three days. Tom shared that over the weekend, 1,705 cars were reported by the electronic traffic

sign for vehicles traveling east near the Heritage Center over the holiday weekend. The Board discussed the possibility of securing additional coverage in the future, noting that funds are currently available.

Regarding crime indicators, Herman noted that there were no significant changes from last month, with only a slight increase in the number of releases. No significant criminal activity or new developments were reported.

4. Five County Report (Bob): Nothing to report.

E. Community Watch – Tom & Gene Phillips: Gene reported that a class is being organized and is scheduled to take place in August.

F. Fraud Risk Assessment Form (to be filed with the State by June 30) – Bob

Bob explained that the state requires a Fraud Risk Assessment Form to be reviewed and completed annually. Due to the small revenue size of PVLAD, the assessment is being conducted and submitted by Bob, who represents PVLAD, with review and approval from the board. Bob and Allen both represent the PVSSD. Bob distributed the assessment, noting that he initially worked with the clerk and treasurer in its preparation. The assessment was originally due in December 2024; however, it will be completed and submitted this month. Bob reviewed all assessment items with the board, including two changes made to the separation of duties question, which were discussed. Some items on the assessment form are marked as "N/A" or negative responses. The 2024 risk score was reviewed and noted to be high. Emily inquired about the anticipated score for 2025, and Bob responded that it is likely to fall within the low to moderate range. Improvements in the separation of duties are expected to result in a lower risk score in 2025. Bob made a motion to approve the Fraud Risk Assessment with the two changes made to the Separation of Duties section, and to be signed by the chairman and clerk, and submitted to the state. Emily seconded, and all were in favor.

G. Financial and Compliance Self-Evaluation Form for Local Government Entities (to be filed with the State by June 30).

Bob noted he is representing the board on the self-evaluation form and explained that PVLAD is not required to complete a financial audit due to its small size and limited revenue. The 2024 form is due by the end of June. The board's review included general questions, budgets, year-end financial reports and statements, reporting practices, bank statements, compliance with the Open and Public Meetings Act, and any instances of fraud, illegal acts, or noncompliance, along

with corresponding corrective action plans. Question 40, regarding whether the entity is free of fraud, illegal acts, or noncompliance, was changed to “No,” with comments added that non-compliance items were remedied in 2025. Bob Question 40, regarding whether the entity is free of fraud, illegal acts, or noncompliance, was changed to “No,” with comments added that non-compliance items were remedied in 2025. moved to approve the form, including the modification to Question 40, and to authorize its signing and timely submission by June 30th. Herman seconded the motion, and all were in favor.

H. **Clerk Report:** Rick noted only two small transactions. Bob mentioned that we may need to reduce the $20 fee in 2026 due to the amount of funds available. Bob moved to approve the clerk's financial report, and Herman seconded it; all were in favor.

I. **Treasurer Report:** LaDawn presented the treasurer's report and noted the reconciliation. Bob moved to approve the treasurer’s report, Herman seconded, and all were in favor.

J. **Citizen Requests**: Dwayne noted that dumpsters continue to be misused, stating that large appliances should be taken to the Central landfill. Bob suggested installing new signage and recommended hiring Star Sign and Banner. Frank will take this as an action item, and it will be placed on next month’s agenda.

Bob moved to adjourn the meeting, Emily seconded the motion, and all were in favor. The next scheduled PVLAD meeting is scheduled for July 9, 2025.
