Welcome: Meeting called to order by Mary Esther

July 2023 Meeting Minutes: Herman approved the July minutes, Bob seconded, and all were in favor.

Board Member Reports:

Bob reported the success of the asphalt paving. Sealing will be in September.

Allen mentioned that D. Hagemeyer asked if the board wanted to approach Verizon to install a cell tower in the valley. No board action currently.

Herman – Proposal to Secure the Fire Department Communication Equipment:
The communication & radio equipment is currently out in the open in the fire station. Herman suggested building an enclosed communication room using a 2x4 frame and plywood and a lockable door with a security window in the current location in the northwest corner of the station's east bay. It would provide a secure area for portable handheld communication equipment, some valued at over $2300 apiece. It would keep expensive and sensitive radio equipment secure, provide a quieter and environmentally controlled area to monitor emergency radio communication, protect sensitive radio equipment from outside dirt and exposure, and protect operators from diesel exhaust fumes and loud noises that interfere with hearing emergency radio communications during operations. The estimated cost for material and labor is $400. The board discussed it, and all determined it was an excellent idea.

Fire Chief Report: Robert presented July's fire and EMS report with 11 EMS calls, an assault call, and one citizen assist call. Seven were EMS calls in Pine Valley, and two were transports by our ambulance to St. George Regional Medical Center.

Emily mentioned in the PVLAD meeting that Short Term Rentals (STR) will now require an annual fire inspection. Robert will determine the specifics. This item will be placed on the September agenda.

Treasurer Report: Rick presented the financials. Several expenses in July were reported. Bob mentioned the expected impact fee budget is low this year, but expenses are half of what was planned so far. Bob approved the financials, and Allen seconded, all in favor.

Citizen Requests: Steve Shakespeare noted that a discussion on how impact fees for the PVLAD would be collected next year after the formation of the new special service district.

The next scheduled PVSSD meeting will be on September 6, 2023.

PVSSD Board Meeting adjourned.
