E. Update Policies and Procedures, Action Item – Emily

Emily proposed that we amend the Purchasing Policy. The two proposed changes (emailed to the board on April 12th) gives the board authority to implement autopay options for recurring expenses if the Clerk or Treasurer receives prior approval and changes the amount in section 10, which says board members and independent contractors may be reimbursed for goods and

services provided they are budgeted and approved, from $3,000 to $2,000, keeping it in line with purchases from the fire department. Emily made the motion to update the PVLAD purchasing policy with the wording emailed on April 12th, Bob seconded, and all were in favor. These changes ensure that PVLAD policies remain in sync with PVSSD policies.

F. **Community Watch – Tom & Gene Phillips:** Gene reported a successful Community Watch meeting on April 26. One hundred and ten families are now part of the watch group. He printed new, updated maps for the block captains and the fire department.

G. **Additional Sheriff's Department Patrols –** Herman reported negotiating a contract with the Sheriff's Department for additional patrols during holiday weekends. Patrols will occur from 10:00 a.m. to 3:00 p.m. on each scheduled date, at a rate of $60 per hour for 65 hours, totaling $3,900. Deputies will be assigned to the shifts rather than volunteering, ensuring coverage. A Memorandum of Understanding (MOU) or formal contract was suggested to be signed with the Sheriff's Department. Emily motioned that the board formally approve the agreement, authorize Rick to adjust the budget accordingly, and authorize Herman to finalize the MOU. Bob seconded the motion, and all were in favor.

H. **Clerk Report:** Rick noted $276 in interest, annual registration for $25 for the state.

I. **Treasurer Report:** LaDawn presented the treasurer's report and noted the funds' reconciliation. Bob moved to approve both the clerk's and financial reports, Herman seconded, and all were in favor.

   Bob noted a quarterly financial review meeting with Rick and LaDawn. Duties are being separated, and time is being taken to review and balance relative to the safety of the resources.

J. **Citizen Requests**: Dwayne noted that dumpsters continue to be misused, stating that large appliances should be taken to the Central landfill. Bob suggested installing new signage and recommended hiring Star Sign and Banner. Frank will take this as an action item, and it will be placed on next month's agenda.

Bob moved to adjourn the meeting, Emily seconded the motion, and all were in favor. The next scheduled PVLAD meeting will be on May 7, 2025.
