Pine Valley Special Services District Meeting
April 2, 2025

Attending Board Members: Mary Esther Putnam, Chairwoman; Bob Dalley, Vice-Chairman; Allen Cannon; Emily Neilson; Steve Shakespeare
Attending PVSSD Assistants: Rick Peetz, Clerk; LaDawn Christensen, Treasurer
Fire Chief: Robert Hardy
Guests Attending: Claudia Davis, Brian Davis, Rob Nodine, Frank Davie

A. Welcome: Mary Esther called the meeting to order.

B. March Meeting Minutes: The March meeting minutes were reviewed with the proposed additions and updated before the meeting. Bob approved the meeting minutes; Allen seconded, and all were in favor.

C. New Webmaster - Emily

Emily led a discussion on the future of the Pine Valley websites, as Vicki F. will be retiring from maintaining pinevalleyutah.org. Emily proposed that the board transition to using pinevalleyutah.org moving forward. Vicki owns the pinevalleyutah.com domain and has offered to transfer ownership to the board. She also agreed to assist with the transition to a new webmaster. It was noted that hiring a new webmaster will incur additional costs for website maintenance and support. A budget adjustment may be necessary to accommodate these expenses. Mary Esther suggests we keep the Pine Valley blog separate from the web page. This item and the adjusted budget will be added to May's agenda.

D. Updating the Website for Monthly Agendas - Emily

Discussed under item C.

E. Community Center Report Status – Allen Cannon

Allen reported on a conversation with Joe Rechsteiner, District Ranger for Dixie National Forest. Joe informed him that Todd Edwards, Public Works Director, is now the lead on the Pine Valley Community Center project. Todd has provided the necessary paperwork to begin a "small tract land purchase". It was determined that land purchase is preferred rather than a land exchange, which would require legislative action. The county is motivated to move the project forward and has indicated that funds are available to complete the purchase.

F. Fire Department Report

Robert presented the March report. The department responded to fourteen calls: thirteen EMS calls and one fire call. Two calls were in Pine Valley, one in Pinto, and the remaining in Central. He reported 437 volunteer hours, 261 training hours, 14 equipment hours, 76 response hours, and 100 'other' hours.

G. Clerk Report

Rick reported that on March 15, $173,410 was billed to property and homeowners as part of the annual fire assessment.

Rick proposed to the board that the clerk manage four utility payments through autopay. The board discussed the proposal, and Bob suggested amending the policy to authorize the clerk to handle these payments as directed by the board. Bob moved to approve using autopay for the four utility items and making the necessary adjustments to the policy.

Bob and Allen raised questions regarding the budget and recent expenses, with attention to the significant line item for extrication equipment. It was noted that approximately 40% to 90% of the only big item we were approved to spend on was for the extraction equipment. The amount spent on badges was also noted.

Bob noted the significantly larger cash on hand this year compared to last year. Rick explained that the difference is due to the annual fire assessment being billed in June last year; normally, it is billed in March.

Rick recommended that leftover funds from the previous fiscal year be transferred annually into a long-term savings account that accrues interest. For this year, $20,000 will be moved to that account. Additionally, we confirmed that the funds in the checking account that exceed $5,000 were to be moved to the operational savings account, which is interest-bearing. That currently is $80,000 but will increase as we collect our receivables.

H. Treasurer Report: LaDawn presented the Treasurer's report. Bob moved to approve, Allen seconded, and all in favor.

I. Citizen Requests:

Mary Esther mentioned that large appliances are not being disposed of correctly at the dump. Allen noted that the signs are not in great shape and suggested that the PVLAD pay for new ones.

Bob moved to adjourn the meeting, Emily seconded the motion, and all in favor. The next scheduled PVSSD meeting will be on May 7, 2025.
