Pine Valley Local District's Administrative Control Board
July 7, 2021

Attending Board Members: Frank Davie, Chairman; Rick Peetz, Treasurer; Steve Shakespeare, Fire Chief; LaDawn Christensen, Secretary; Allen Cannon, Bob Dalley, Herman Nordbruch, Mike Stucki
Attending Guest: Jack Rolfe, Lexie Rolfe, Annie Eastmond, Dan Eastmond, Jack Sloan, Lisa Sloan, Emily Neilson

Welcome: Frank Davey

Minutes from June 2, 2021: Herman approved, Allen seconded and all in favor.

Board Member Reports:

Frank Davie, health related Pine Valley activities: The medical preparation meeting with Dr. Root and Laura Bergson held June 5th was helpful and successful. 29 members are now in the Emergency Preparation Group on the Nextdoor Neighbor app. The Pine Valley Branch Preparedness Committee maintains the survey results of skills and resources available in the community for use during potential disasters. A garden group is on Next Door Neighbor with 47 members. A garden show will be held in the future.

Allen Cannon, sheriff's office report: Allen mentioned that Brock Bentley with the sheriff's dept is a possible contact for safety issues in Pine Valley. He asked what information we want communicated. Bob suggested property crime and vandalism. Allen will also ask and get a feel of when and how often the sheriffs are in the valley.

Bob Dalley, traffic report: Bob reported that the traffic sign reports is reading positive for those keeping a respectful speed under 30 mph. Main issue is on the east side of the valley.

Herman Nordbruch, county crime report (general crime rate):

Herman communicated with Deputy Neighbors and he reports the following:

1. The primary area of criminal activity in western Washington County is vehicle break-ins in Snow Canyon State Park by an unknown criminal group. This group randomly stakes out parking lots where people park when they hike the trails, then breaks vehicle windows and steals contents of the vehicle.
2. The only other recurring criminal activity in western Washington County is the group of methamphetamine users residing in Veyo. The Sheriff's Office is aware of who most of these people are, and routinely

attempts to keep track of them and their activities. They tend to move around between different dwellings in Veyo.

3. Surprisingly, there were no reports of crime or major traffic issues in Pine Valley over the Independence holiday weekend. Currently, the most important issues are children having ATV accidents, and the ongoing threat of wildfire. It is recommended that Dispatch be notified of any violations of the current Stage 2 fire restrictions, and a deputy will be sent to cite any offenders.
4. There is an ongoing traffic safety issue with reckless drivers passing in no passing zones on Highway 18, which is extremely dangerous. Please drive defensively, and report reckless drivers to 911 Dispatch.

Overall County Crime & Information

a. Current total Purgatory population: 260 (max capacity is 500). Capacity is currently limited by COVID distancing requirements.
b. On 16 June, Washington County officials recently approved an agreement with Southwest Behavioral Health Center to partner on a new substance abuse and mental health crisis center, which will provide a place where law enforcement can take people in crisis due to mental health or substance abuse issues instead of jail. The new facility will be built in Hurricane near the DMV office. The facility will be managed by personnel from the Southwest Behavioral Health Center.

Pine Valley Property Crimes:

a. On Friday night 4 June, someone stole a trailer hitch from an RV camper in the recreation area.
b. On Sunday 13 June, Joseph Ray reported that someone shot a couple of paintballs at his house on the corner of Lloyd and Sage.

Herman created the “Community Crimes Reporting” group on the Nextdoor Neighbor app for residents to report crimes for PVLD and for community awareness.

Herman recommended posting three “Neighborhood Watch” signs in a few strategic locations: Valley entrance, Meadowview Dr & Main Street, Lloyd Canyon & Main Street. Allen approved, Mike seconded, all in favor.

Mike Stucki, Five County report: Mike reports that the Five County Association has what is called a CIB report and part of it deals with grants and loans. Mike is looking for grants, and any examples of grants that would fit our needs. He will report next month. ‘

Treasurer Report: Rick presented financial. Bob moved to approve, and Herman seconded.

Citizens Request: Steve Shakespeare commented that he would like to see fire alarm systems in homes, most specifically for part-time residences. This will help notify the fire department more quickly if a smoke has been detected and it may help save a home. He suggests the board give advice to the community on options and companies who can install alarms. Will add as an action item for the next meeting. Emily will add to the overlay zoning requests. No other concerns.

Meeting adjourned.

The next scheduled PVLAD meeting will be August 4, 2021.
