Welcome: Meeting called to order by Mary Esther

June 2023 Meeting Minutes: Herman approved the minutes, Mike seconded, and all were in favor.

Board Member Reports: None

Bob Dalley: Bob presented a plan by the Pine Valley Dinner Committee to pave the large area west of the fire station to help access to the mail buildings. The committee was considering offering $20,000 of the asphalt and possibly a bit more after the August dinner. He asked the PVSSD to help with funds as it was also a benefit to the fire department for the paving. A long discussion happened about the benefits and should we also pave the area around the back apron of the station. The decision was reached to pave the entire above-mentioned area and work with the dinner committee to fund pavement project. Mike approved the request, Herman seconded and all in favor. Mark Owens will get the quote to pave the requested area and the fire station's back bay areas.

Fire Chief Report: Robert presented the fire and EMS report for June with 4 EMS calls, two in Central and two in Pine Valley. One EMS call in Pine Valley was a Pine Valley ambulance transport to St. George Regional Medical Center. Central is staffed with 10-40 personnel. Pine Valley EMS still responds to Central.

Treasurer Report: Rick presented the financials. The audit is completed and has been recorded to the state and county. Expense issues, repair costs, all fire and EMS units serviced. Fees for accounts went through and $75 was over budget.

Citizen Requests: Gene discussed the Community Watch radios.

The next scheduled PVSSD meeting will be on August 2, 2023.

PVSSD Board Meeting adjourned.
