Pine Valley Special Services District Meeting
August 7, 2024

Attending Board Members: Mary Esther Putnam, Chairwoman; Bob Dalley, Vice-Chairman *(excused)*; Allen Cannon; Emily Neilson; Steve Shakespeare *(excused)*
Attending PVSSD Assistants: Rick Peetz, Treasurer; LaDawn Christensen, Secretary
Fire Chief: Robert Hardy
Attending Guests: Gene Phillips, Dana Rowley, Frank Davie, Duane Krohn, Scott Dunkleman, Brian Davis, Herman Nordbruch, Tom Nielsen

Welcome: Mary Esther called the meeting to order.

July Meeting Minutes: Emily approved the minutes for public record, Allen seconded and all in favor.

Board Member Reports:

Allen thanked Duane for his service in keeping the dump in order. They discussed placing cameras. If the dump continues to be a problem, the county will shut it down, and residents in Pine Valley will be required to use Central. Allen thanked Herman for his crime report in the PVLAD meeting and for informing us about what was happening around us.

Emily heard from the county about how to allocate donated funds for the fire department and forwarded the information to Rick.

Fire Department Report: Robert reported the fire department's July statistics. There were seven callouts, with two fire calls, one in Central and the other a false fire alarm in Pine Valley, and five EMS calls, all of which were in Pine Valley. Three hundred and sixty-one total volunteer hours, which include response, training, and other hours reported. Nine equipment hours were reported. Upcoming training included UFRA forceable entry fire training in August. Landing zone training and extraction training in September.

Robert presented a Tables and Chairs Loaning Agreement for residents in the valley who asked to use the fire department’s tables and chairs. The agreement outlines what is required and includes a deposit of $50. Emily asked if cash or a check is required and if this solves the problem Robert mentioned last month. Robert replied that it does. Emily asked the board if all were on board, and they were. No motion was required. Emily would like to follow up on this issue in six months.

Robert asked the board what the station's policy is for unleashed dogs. All agreed that all dogs should be on a leash.

Treasurer Report: Rick reported the financials. Many expenses in the last month, including bins for EMS storage, batteries, ice rescue equipment, insurance, workman

compensation, office supplies, SBA equipment, and a heating FLIR unit. Rick sent out assessment fee late notices. Impact fees are more than budgeted. Emily asked about the new radios and Robert said they are in the process of ordering them. Allen approved the financials, Emily seconded, and all in favor

Citizen Requests: None

Allen moved to adjourn the meeting, Tom seconded, and all in favor. The next scheduled PVSSD meeting will be on September 4, 2024.
