Emily asked if the price of the ambulance was a good strategic idea. Robert said it was a 10-year program.

F. Review Donor Assessment Fee Exemptions: Bob asked if we could assess yearly whether any assessment fees could be waived based on donations. Steve noted it should be in the policy to review; however, he doesn't feel like we need it, but we can ensure it is written in one of the policies to review every year. It will be added to the agenda every February.

G. Fire Department Chair Loan Agreement Review: When the chair/table loaning agreement was approved, Emily asked to review it after six months. Robert said it is going well, except for one situation that was a communication issue. If residents and fire department volunteers follow the system, it works.

H. **Update Policy and Procedures: Emily distributed a draft of the PVLAD along** with the PVSSD policies and procedures. After reviewing recommended Utah state templates, she modified the policies and procedures in detail for Pine Valley. She explained the handout and what was included in the draft, including policy for loaning tables/chairs from the fire department, credit cards, purchasing, standardized fire equipment, surplus, property disposal spending/purchasing, debit cards, reimbursements, and other items. Emily asked the board to review it.

   Emily presented a mission statement for the Pine Valley Special Service District. After review, Bob approved the mission statement, Steve seconded, and all were in favor.

   Pine Valley Special Service District Mission Statement – To equip and train a volunteer fire and rescue organization in a fiscally responsible way, enabling the organization to provide safe, prompt, effective fire suppression; emergency medical services; and proactive prevention education to the residents and visitors in the Pine Valley Community.

   Bob discussed and asked Rick and Allen for feedback on the audit policy and if a self-audit was possible. Rick will explore and report next month. This will be added to next month's agenda.
