This new project is for Repairing the Boundary Fence around the town, with Park and Trailhead Access. Steve mentioned a Continuing Program lasting four years . John mentioned a contractor would be best with men of the town helping with the boundary. Dall will get the application together and submit it before the deadline.

bring these matters up at our next meeting of the County Commissioners. Mary Esther will contact the Commissioner and schedule a meeting in April. It was suggested to contact Joe Rechsteiner from the Forestry Department to come to our next meeting, if possible, to discuss some of our issues that concern the Forest Department. Gerald Schiefer said he would contact Joe. It was also suggested to invite Joe to attend our meetings with the County Commissioners.

Allen commented our meeting with the County Commissioners had been fruitful. A discussion followed about the Workshop on March 15 and future meetings with the County Commissioners.
