Board Member Reports: County Commissioners Meeting Summarized by Mary Esther. Meeting consisted of chairpersons of surrounding special service districts and Dean Cox. The general feel of the meeting was that the county feels consolidating the special service districts is in its best interest. Board members felt it would be in the best interest of PV to maintain its financial independence and ownership of the facility and equipment. Other chairpersons would like to see the outcome of the feasibility study prior to making a final decision. Hurricane Valley consolidated, and the county indicated that all parties involved were satisfied. Dean Cox is on that board as well. Would PV have a significant tax increase if we consolidated and had to employ fire fighters/EMTs? PV will need to make a decision once the feasibility study is complete.
Postmaster indicated we have only one empty box and the library needs removed. Donate books.

Fire Chief Report: Nine call outs this past month.

Treasurer Report: Rick presented the PVSSD Profit and Loss October 2020, P & L Detail October 2020, Profit & Loss Budget vs. Actual Jan.-Dec. 2020, Prev Year Comparison as of October 1, 2020, and Impact Fee Revenue Reports FY End Dec 31, 2020.
Move meeting from December 2 to the 9th.
Renewal of 9 acre with Dixie National Forest for the next 30 years. No annual fee. Larry motioned to have Mary Esther sign, Bob seconded, all in favor.
Rick mentioned grant possibilities with Five Counties. May or may not be applicable to PV.
Rick presented proposed purchases for 2021. Will Edith Green renew? Board will need to address how to get additional funds. County let Larry know that the board needs to get fee increases approved through the county. Mary Esther will call Dean Cox to clarify fee increase procedure. Bob is concerned with the optics of budget while asking for a fee increase. Rick indicated this accounting could easily be adjusted for clarification.

Steve asked for approval of funds to purchase the requested needs in the proposed purchases. Bob motioned to approve need purchases, Allan seconded, all approved. Financials motioned to accept by Bob, seconded by Larry, all in favor.

Citizens Report: Emily Nielsen was absent but let Mary Esther know there is no movement on any pending projects. John Nichols indicated he would like to see PV independent of county. Frank Davies indicated the importance of having the backup generator installed.

The next scheduled PVSSD meeting will be December 9th, 2020.

PVSSD Board Meeting adjourned by Mary Esther and moved into PVLAD meeting.
