# Pine Valley Special Services District Meeting
## *October 2, 2024*

*Attending Board Members*: Mary Esther Putnam, Chairwoman; Bob Dalley, Vice-Chairman; Allen Cannon; Emily Neilson; Steve Shakespeare
*Attending PVSSD Assistants*: Rick Peetz, Treasurer; LaDawn Christensen, Secretary
*Fire Chief*: Robert Hardy
*Attending Guests*: Brian Davis, Herman Nordbruch, Duane Krohn, Frank Davie

**Welcome:** Mary Esther called the meeting to order.

**August Meeting Minutes:** Steve approved the minutes for public record, Allen seconded and all in favor.

**Board Member Reports:** Bob asked Robert to explain a letter from the county commissioners addressed to the fire chiefs involved in the June Central Boneyard wildfire. Robert summarized the letter expressing the county's appreciation for the chief's hard work during the fire. The county requested greater coordination, cross-training, and mutual aid within the departments involved. Robert will respond to the letter by explaining Pine Valley's level of training, including training with UFRA. He will also invite the commissioners to visit our station and observe our training classes. Robert further explained our automatic and mutual aid agreements with Central and Enterprise.

**Fire Department Report:** Robert reported on the fire department's statistics for October. There were eleven callouts, all of which were EMS-related, with only one in Pine Valley and the remaining ten in Central. The department logged a total of sixty-five man-hours, one hundred eighty-two training hours, and seventy-three additional volunteer hours, bringing the total to three hundred twenty hours. There were also twelve equipment hours recorded. Additionally, two new fire department volunteers were announced.

Steve commented that volunteers run 90% of our country's fire and EMS.

**August & September Treasurer Report:** Rick reported on the financial statements for the past two months. Allen raised a question regarding expenses totaling up to $14,000 in the previous month. Rick explained the expenses, including $7,500 spent on maintenance for Engine 141. Rick expects the department to have around $76,000 to roll over into the following year. Under donations, $991 was raised from the sale of PVFD shirts, and the Elks have donated to the fire department. Rick also noted that forty-one property owners have not paid their assessments, and their names have been forwarded to the county. He requested an initial budget review be added to next month's agenda. Bob approved August and September financials, Allen seconded, and all were in favor.

Bob moved to adjourn the meeting, Emily seconded, and all in favor. The next scheduled PVSSD meeting will be on November 6, 2024.
