Tom Nielsen, Vice Chairman
Emily Neilson, Excused
Brad Esposito
Cortney Snow

PVLAD Assistants: Rick Peetz, Clerk
Teri Forbes, Treasurer

Fire Chief Robert Hardy

Others: Allen Cannon
Steve Shakespeare
Duane Krohn
Audrey Krohn
Claudia Davis
Mark Flygare
Bob Dalley

1. Welcome, Prayer, and Pledge of Allegiance – Tom Nielsen and Chair Davie.

Chairman Frank Davie called the meeting to order at 6:02 p.m.

He recited a poem by H.R. Merrill entitled "Let this be Heaven" and compared it to the beauty of Pine Valley.

Tom Nielsen offered the Prayer. Chair Davie led the Pledge of Allegiance.

2. Pine Valley Overlay Zone Business – Emily Neilson.

There was no Overlay Business.

3. Meeting Minutes.

A. Approval of the April 8, 2026, PVLAD Meeting Minutes.

Cortney Snow moved to APPROVE the minutes of April 8, 2026, as written. Brad Esposito seconded the motion. The motion passed with the unanimous consent of the Board.

4. Board Member Reports.

A. Pine Valley Activities – Frank Davie.

Chair Davie reported on the recent Cinco de Mayo activity and stated that there was a great turnout.

A Garden Club Meeting took place earlier in the day and lasted about 1 ½ hours. A lot of good questions were raised, and ideas shared.

Chair Davie was wished a happy 80th birthday. His advice to those present was to live life to the fullest.

B. Traffic Report – Tom Nielsen.

Tom presented the Traffic Report and stated that there were 1,000 fewer cars traveling westbound near the Brandin' Iron. The highest speed recorded was 48 MPH.

The sign near the Nielson home on Main Street was out of service last year at this time, so no data was available. This year, 7,600 cars passed traveling eastbound, with the majority traveling the speed limit. Traveling westbound, the highest speed recorded was 46 MPH; however, 2,000 more cars were recorded traveling westbound compared to last year. Near Rachel's Gate, traveling eastbound, 7,100 vehicles were recorded last year with 5,200 this year. The speeds recorded there were not overly high. Tom stated that pedestrians have complained about speeding taking place, which was primarily attributed to construction traffic. Rick Peetz was thanked for maintaining the speed signs over the past several years.

The Memorial Flag placement is headed up by Rick Peetz and is to take place over the next two weeks. Rick reported that $250 worth of stakes and flags were lost last year. Numerous positive comments are received from visitors each year who enjoy seeing the flags as they enter the valley.

5. Community Watch – Tom Nielsen and Gene Phillips.

Brad Esposito reported on the recent Community Watch event that was a success although the turnout was light. It is a good program and all are invited to be involved.

6. Clerk and Treasurer's Reports (March) – Rick Peetz and Teri Forbes.

Rick reported that there was one transaction in the bank account over the last month consisting of $72.09 in interest. Currently, there is $19,687 on hand.

Teri reported that she balanced the account and found it to be in order.

Brad Esposito moved to APPROVE the Clerk and Treasurer's Reports for April. Cortney Snow seconded the motion. The motion passed with the unanimous consent of the Board.

7. Approval of Quarterly Reconciliation Report from Last Meeting.

Cortney reviewed the Quarterly Reconciliation Report immediately following the last meeting and found it to be in good order.

Tom Nielsen moved to APPROVE the Reconciliation Report from April. Brad Esposito seconded the motion. The motion passed with the unanimous consent of the Board.

8. Discussion on Government Records and Management Act ("GRAMA") Request from Private Vendor.

Tom received a GRAMA request from a company called Records Retrieval and asked for clarification on its legitimacy. Steve Shakespeare learned at a recent training that whenever a request for information is received, the first steps is to verify whether it is legitimate. If the district does not respond to the request within 10 days the requester has the right to appeal. If the requester does not respond within 30 days, it is an automatic denial. Tom researched the email address of the company who made the request and discovered that it was from a software company from the east coast and suspected it was a phishing email. Steve stated that if the requester is serious, they will respond within the 30-day window, which was not the case.

9. Citizen Requests. Any person wishing to bring an item not otherwise on the agenda is to bring it to the attention of the Board Chairman, Frank Davie, and the additional members of the Board by raising their hand and giving their name for the record. The Chair or Board will take no action at this time. All items will be referred to the board for follow-up and report.

Duane Krohn reported that the signs at the dump have been improved upon and additional cameras posted. He noted that the dump is monitored on a weekly basis.

10. Other Business.

Steve asked about the status of law enforcement to be provided over the Memorial Day holiday. It was noted that a contract was signed previously for this year. Tom agreed to call and confirm. Cortney suggested that the contract include the normal police presence to be provided in the Valley. It was reported that the sheriff comes to Pine Valley twice each day. It was understood that it can take up to 20 minutes for a sheriff to arrive if there is an issue.

Bob Dalley reported on the $3,600 residual received from fundraisers that is available for remediation, which was paid to the families of those whose homes burned down in the Forsyth fire. One family returned the funds. There was a proposal before the Pine Valley Special Service District to transfer the money to the Local Administrative District for remediation. Chair Davie commented that the PVLAD currently has $19,000 in its budget and has no need for it. Cortney suggested it be given to the Dinner Committee. He considered that to be the most appropriate use.

11. Adjournment.

Cortney Snow moved to ADJOURN. Brad Esposito seconded the motion. The motion passed with the unanimous consent of the Board.

The meeting adjourned at 6:35 PM.

The next PVLAD meeting is scheduled for June 10, 2026.
