A. **Welcome:** Mary Esther called the meeting to order.

B. **October Meeting Minutes:** Steve approved the minutes for public record, Bob seconded, and all in favor.

C. **Board Member Reports:** Emily noted that the Washington County Water Conservancy hired a company to conduct testing on wells, including private wells.

D. **Fire Department Report:**

Robert presented the fire department statistics for October, noting nine EMS-related callouts: one in Pine Valley, one in Pinto, and the remaining in Central. The department logged 200 volunteer hours.

Robert also reported that three EMTs are scheduled to begin the Advanced EMT course in January. Additionally, the state has mandated two requirements for fire departments: the assignment of a mental health liaison and the implementation of mental health resiliency training. Teri Forbes Forbes has been appointed the department's mental health liaison to fulfill these requirements.

1. Memorandum of Understanding (MOU) to collaborate with other SR-18 Special Service Districts (SSDs) in coordinating fire training and response efforts.

   Robert met with the county commissioners, who explained that the Boneyard fire letter sent to the Fire Department Chiefs on the SR-18 corridor regarding training and the lack of coordination between all fire departments was not intended for the Pine Valley Fire Department. The county wants to ensure the fire departments have adequate training for any fire. Training will be involved, and the county will initially pay for most of the training.

E. **Treasurer Report:** Rick provided the financial report, highlighting significant repair costs for the fire engines, that was discussed. Bob approved the financials, Allen seconded, and all in favor.

F. **2025 Budget Review:** Rick presented the proposed budget, which the board reviewed and discussed. Rick will prepare and present the final budget in next month's board meeting.

G. **Citizen Requests:** None

H. **Motion for Executive Session:** Bob moved to close the meeting and transition to an Executive Session. Each board member individually voted in favor, and the meeting was closed to begin the Executive Session.

The next scheduled PVSSD meeting will be on December 4, 2024.
