4. Board Member Reports.

A. Pine Valley Activities – Frank Davie.

Chair Davie reported on the upcoming Community Dinner Fundraiser scheduled for Saturday, August 15.

The recent July 4 and July 24 community events were discussed and described as a great success. Kendall Sullivan and his wife, Mitzi, were thanked for their efforts in heading up both events.

Chair Davie shared his recent experience traveling to Star Valley and Jackson Hole, Wyoming, where he and Gene Phillips were raised.

B. Traffic Report – Tom Nielsen.

Tom Nielsen reported that the Sheriff has been in the Valley over the summer holidays and will be present for Labor Day as well. A bill for that service will be submitted for payment once the contracted work has been done. He noted that when officers pull over motorists, those interactions are counted as contacts. He was unsure how many citations had been issued.

Tom informed the Board that the sign near the Brandin' Iron is offline and will be repaired. Traffic statistics remained constant. This July, 2,000 more cars traveled by the Sullivan's home compared to July of 2025. The sign near Rachel's home recorded 1,100 fewer cars this year compared to 2025. Instances of speeding remained the same.

Tom commented on the trucks carrying rocks on the east end of the valley that have been loud and disruptive.

5. Community Watch – Tom Nielsen & Gene Phillips.

Gene Phillips reported that the turnout for the recent Community Watch Meeting was low with 13 in attendance. They also listened to the broadcast on FM 96.1. Gene asked the Block Captains to check their blocks to ensure that the data is up-to-date. He will next pursue ways to get more people involved.

Tom stressed the importance of people knowing how to use the radios. He suggested that Community Watch leadership meet with individuals or small groups to present the training.

It was noted that Brad Esposito serves as the Block 2 Captain. Mike Stucki replaced his wife, Renee, on Community Watch as well. Those involved were thanked for their efforts.

Chair Davie reported that the St. George North Stake of the Church of Jesus Christ of Latter-day Saints conducts check-ins the first and third Saturdays of each month at 8:30 AM. Ken Konold passed away recently, and Chair Davie has been working with Mr. Konold's wife to gather the needed information to continue that work. Chair Davie was currently acting as net control until someone else can be found who is more strategically located. He recently met with a Ham radio operator from Dammeron Valley who was very interested in getting that effort up to speed. Victor Christensen has the responsibility of reporting back to the Stake Presidency on those efforts.

6. Update on Unauthorized Access to the Bank Account – Rick Peetz and Teri Forbes.

Clerk Rick Peetz reported on recent fraud that took place involving unauthorized access to the SSD's bank account. $10,000 was fraudulently withdrawn, but he discovered it early enough to stop it. The transaction originated from the Bank of Tampa but was not completed. A freeze was immediately put on all bank accounts. Since then, the account numbers have been changed and the original accounts closed. The fraudster contacted the bank posing as Treasurer Teri Forbes and was able to initiate the illegal transfer. He pointed out that they have had, and continue to have, two-step authentication to gain access to the accounts. Additional security measures have been put in place to prevent similar problems going forward. Rick stressed that he and Teri have done what the bank recommended and did nothing wrong.

7. Clerk Report and Treasurer's Reports (July) – Rick Peetz and Teri Forbes.

Rick presented the Clerk's Report and reviewed the expenditures. Teri presented the Treasurer's Report and stated that she and Rick met and balanced the old and new bank accounts together.

Rick stated that a new bill was received for Teri to be bonded that includes crime coverage, which extends to members of the board. The cost is $100 per year and is in the budget.

Brad Esposito moved to APPROVE the Clerk and Treasurer's Reports. Tom Nielsen seconded the motion. The motion passed with the unanimous consent of the Board.

8. Board Quarterly Bank Reconciliation Report – Cortney Snow.

As Cortney Snow was excused, the above matter was moved to the September agenda.

9. Citizen Requests. Any person wishing to bring an item not otherwise on the agenda is to bring it to the attention of the Board Chairman, Frank Davie, and the additional members of the Board by raising their hand and giving their name for the record. The Chair or Board will take no action at this time. All items will be referred to the Board for follow-up and report.

Kendall Sullivan owns licensed short-term rentals in the Valley but stated that over the past few years the County has added requirements such as cleaning septic tanks every three years, which is rarely done. Legal owners are fined for not doing it. Mr. Sullivan was concerned that those operating illegal short-term rentals are not being forced to abide by the same rules.

Emily stated that when a complaint is received about an illegal short-term rental, the County's Code Enforcement Officer is notified. In the past, he has been good about documenting what is taking place and has worked with two owners in the Valley to get them licensed. Others have not been willing to come into compliance. A comment was made that if fines are not imposed, the issue will not improve.

Gene noted that numerous cars were recently parked up and down both sides of the street in front of a known illegal short-term rental. The situation created a disturbance for residents. Emily stated that the PVLAD Board does not have a say in terms of the fines that are imposed. She noted that that is under the County's purview.

Chair Davie offered to contact the County and report back at next month's meeting. He was asked to obtain a list of licensed short-term rentals.

Brad personally thanked Mark Owens for his efforts to get work completed behind the fire station. Completion of the project will be helpful to those who care for the station.

10. Other Business.

There was no other business.

11. Adjournment.

Tom Nielsen moved to ADJOURN. Emily Neilson seconded the motion. The motion passed with the unanimous consent of the Board.

The meeting adjourned at 6:40 PM.

The next PVLAD meeting is scheduled for September 9, 2026.
