Annual Conflict of Interest Disclosure Form

Adopted April 2, 2025

The following disclosures are required to be made annually by all PVLAD board members and independent contractors pursuant to Utah Code Annotated 17-16a-6, 7, and 8. Per statute, the information provided shall be kept on file with the PVLAD and may be subject to disclosure to the public.

I, _____am a duly appointed board member of the PVLAD.

1) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which are subject to the regulation of PVLAD, and within such business entities, I hold the following positions:

Business Entity Name: Position within Business Entity:

_____

_____

_____

Ownership of a substantial interest is defined in U.C.A. 17-16a-3(8) as an interest of 10% or more of the shares of a corporation, or a 10% or more ownership interest in other entities, legally or equitably held or owned by the officer, the officer's spouse, or the officer's children.

*Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the County." A business which is simply issued a business license by the County may or may not be deemed by a court, administrative agency, an auditor, or member of the public to be an entity regulated by the County. Businesses regulated by interlocal agencies of which the County is a member may or may not be deemed to be a business regulated by the County (i.e., a restaurant subject to regulations imposed by an interlocal agency).

A business entity which requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by the PVLAD than a business that simply receives a business license from the County.

2) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which do business with or anticipate doing business with PVLAD;

Business Entity Name: Position within Business Entity:

_____

_____

_____

Please note that pursuant to U.C.A. §17-16a-7, a board member must disclose his or her interest or involvement in such an entity immediately prior to any discussion in an open and public meeting

pertaining to business that the PVLAD may do with any such entity, regardless of whether a disclosure of interest or involvement in the business was made in this document.

3) The following personal interests or investments of mine create a potential or actual conflict between my personal interest and my public duties:
