Disciplinary Policy

Adopted April 2, 2025

The purpose underlying the discipline policy of the PVLAD is to establish a consistent procedure for maintaining suitable behavior and a productive working environment. These procedures are directory in nature and minor variations of the processes set forth herein shall not affect the validity of any actions taken pursuant to this policy.

It is understood that PVLAD board members are unpaid volunteers. As such, greater understanding is encouraged before disciplinary actions are taken.

The need for disciplinary action may result from incidents related to performance of duties and personal conduct which may be detrimental to the PVLAD. Disciplinary procedures shall consist of the following:

PVLAD Board Members

A. Written Reprimand
   A writing reprimand is a formal warning given to a board member for misconduct or failure to improve conduct which is documented in writing, dated and signed by the Board Chair and Vice-Chair. A copy shall be given to the member.
B. Recommend Dismissal from Board
   Ongoing or egregious violations of this policy may cause the remaining board members to petition the Washington County commissioners to dismiss the offending board member from service.

Independent Contractors

Independent contractors are governed by the terms of their contracts.
