Pine Valley Special Services District

Meeting Agenda

Pine Valley Fire Station, 680 East Main Street, Conference Room

April 8 , 2026 — Approximately 7:00 P.M.

(or immediately following the conclusion of the PVLAD meeting)

Board Members: Bob Dalley, Chairman
Emily Neilson, Vice-Chair
Allen Cannon
Mark Owens
Steve Shakespeare

PVSSD Assistants: Rick Peetz, Clerk
Teri Forbes, Treasurer

Fire Chief: Robert Hardy

1. Welcome – Chairman Bob Dalley.

2. Meeting Minutes.

   A. Approval of the March 11, 2026, PVSSD Meeting Minutes.

3. U.S. Forest Service Report - Joe Rechsteiner.

4. Update on Flooding and Mitigation Efforts - Mark Owens.

5. Report on Work Taking Place on the Dam – Mark Owens.

6. Local Governments Trust Training – Allen Cannon.

7. HB-48 Update – Chair Dalley.

8. Fire Department Report – Fire Captain, Brad Esposito.

9. Clerk and Treasurer's Reports (March) – Rick Peetz and Teri Forbes.

10. Quarterly Reconciliation Report – Chair Dalley and Allen Cannon.

11. Update on County Audit – Chair Dalley, Rick, and Teri.

12. Update on Community Center Meeting with County – Allen Cannon.

13. State Auditor Training – Chair Dalley.

14. Citizen Requests—Any person wishing to bring an item not otherwise on the agenda should raise their hand and give their name for the record to the attention of the Board Chairman, Bob Dalley, and the additional members of the Board. The Chair or Board will take no action at this time. All items will be referred to the Board and/or Fire Chief for follow-up and report.

15. Other Business.

The next board meeting is scheduled for May 13, 2026, at approximately 7:00 p.m. The public is invited and encouraged to attend.

AGENDA ITEM #2

Pine Valley Special Services District

Meeting Minutes - PENDING

Pine Valley Fire Station, 680 East Main Street, Conference Room

Wednesday, March 11, 2026

Board Members:	Bob Dalley, Chairman Emily Neilson, Vice-Chair Mark Owens Steve Shakespeare (via Zoom)
PVSSD Assistants:	Rick Peetz, Clerk (via Zoom) Teri Forbes, Treasurer
Fire Chief:	Robert Hardy (via Zoom)
Others:	Frank Davie Duane Krohn Audrey Krohn Jody McDonald Jill McDonald Rick Foster Kendall Sullivan Jeff Gardner Larry Gardner Hal Shillander Janya Shillander John Robson Lisa Sloan Rob Nodine Tom Nielsen Toni Rose Marc Rose Brad Esposito Bob Dalley

1. Welcome – Chairman Bob Dalley.

Chair Bob Dalley called the meeting to order at 7:05 PM.

2. Meeting Minutes.

A. Approval of the February 11, 2026, PVSSSD Meeting Minutes.

Mark Owens identified modifications to the minutes which were incorporated.

Emily Neilson moved to APPROVE the minutes of February 11, 2026, as amended. Mark Owens seconded the motion. The motion passed with the unanimous consent of the Board.

3. U.S. Forest Service Report – Joe Rechsteiner.

The above item was postponed to a future date.

4. Update on Flooding and Mitigation Efforts – Mark Owens.

Mark reported that logging operations will commence next week. He stressed the importance of staying out of the campground area. In accordance with the tree planting contract, work will begin on March 28 and focus on the north side of the Recreation Area and the canal. 80,000 seedling trees will be planted. Additional search crews are working in the Recreation Area, cleaning the culverts and ditches. There will be upcoming service opportunities that the community can be involved with. The U.S. Forest Service has submitted a Disaster Recovery request that is in process. Seasonal workers are being hired, and the reservoir work is on hold until it dries out. Work was expected to resume in the near future.

The Emergency Watershed Protection ("EWP") project was discussed. The permits for the environmental work are under review. Four agencies are involved in reviewing environmental permits, including the Environmental Protection Agency ("EPA"), the Division of Water Resources, and the Army Corps of Engineers. The National Resources Conservation Service ("NRCS") has approved all of the drawings and specifications. It was expected to go out to bid in April. Construction was expected to take 90 days to complete from May 1 to August 1.

The application for funding has been submitted to include sediment and debris removal around the Dean Gardner campground area and in Central near the diversion for the irrigation company. The County hired Bryce Christensen Excavation to clean up some of the problem areas as well. The work is currently in the application stage. Mark reported that Washington County is also looking to draw money from the $1,000,000 in recreation funds to clean up and reconstruct the reservoir. It was acknowledged that the U.S. Forest Service is involved in the project.

Mark reported that a service project is scheduled to take place at the Heritage Center on March 26 from 1:00 to 4:00 p.m. The work will involve picking up pine needles, pruning apple trees, and cleaning ditches. At least 10 volunteers were sought and were asked to bring hoses, crates, shovels, pruners, and wheelbarrows. Teri was asked to post the event on Nextdoor.

Duane Krohn asked if those who lost trees in the fire can purchase new ones from the U.S. Forest Service. Mark was not sure but stated that the Dinner Committee has discussed that the U.S. Forest Service will allow five-foot trees to be planted south of the homes that were lost

at a cost of $145 each. Those wanting full-grown trees were asked to provide him with their contact information. It was noted that the cost of the trees includes planting.

5. Report on Work Taking Place on the Dam – Mark Owens.

Mark reported that there has been a focus on several areas including Pole Creek Canyon, which is the drainage area on the east side of the Brandin' Iron near Meadow View Drive. Chair Dalley mentioned that Mark also serves on the Washington County Planning Commission and is well aware of what is taking place in the County. He appreciated Mark's efforts in helping to remediate what is taking place in the community.

Larry Gardner was present and serves on the Water Board. Larry reported that the spring is up and flowing at 1,300 gallons per minute. The well was to be test pumped soon. It was noted that they drilled down 600 feet and hit water at 260 feet.

Emily asked what the lack of a dam will mean in terms of irrigation this season. Mr. Gardner stated that the dam was just for aesthetics and the water company has no rights to it. Whatever went into the dam came out of the lake and, unfortunately the water company has no access to that storage. Their diversion is still under sand and is being worked on.

6. Review of Letters from the SSD Board and Fire Chief to Go Out with the Annual Fire Assessments.

Chair Dalley reported that two letters will go out with the Annual Fee Assessment from the two boards and the Fire Chief. He noted that the policies under the budget process include assessments that have not been changed in two years. Those include residential homes that are assessed at $250 per year, vacant lots at $100 per year, and commercial and short-term rentals at $475 per year.

Chair Dalley recommended that the Fire Chief's letter include his name and title at the bottom. Rick agreed to make that change. He also added the names of all board members to the second letter. The letters stood approved and will go out with the assessments the first part of April. Chair Dalley expressed appreciation for the community's support of the Fire Department.

7. Update on Business Venmo Account – Rick Peetz.

Chair Dalley reported that when assessments are sent, an increasing number of people want to pay via Venmo. Rick reported that he obtained the phone discussed at the last meeting and he and Chief Hardy have been working to set up the business account. He expected that to be completed very soon.

Emily asked if there is a credit card option for people to pay their assessments. Rick stated that

there is currently no credit card option. Emily noticed that the Northwest Service District recently added a credit card option to its website that is run through the state. She wondered if that was something that should be considered for next year. She noted that the state may have some type of financial infrastructure in place. The system automatically sends a receipt, which provides better tracking than Venmo. Rick saw a letter that was put out and stated that a service fee is charged in order to use it. He agreed that it would be good to look into.

Chair Dalley noted that the phone that was obtained can be used with the ambulance. The Zoll monitor can now transmit vital sign data over the cell phone as the ambulance is transporting a patient.

8. Local Governments Trust Training – Allen Cannon.

The above matter was moved to next month's agenda.

9. Discussion of HB-48 – Chair Dalley.

Chair Dalley reported that House Bill ("HB") 48 was passed by Utah State Legislature last year and the effective date may have been postponed. The bill is titled Wildland Interface Modifications. Pine Valley is part of the Wildland Interface, which mandates risk assessments of homes in high-risk areas. The law requires homeowners to have a risk assessment conducted by an independent group. That information is then passed on to property insurers. Chair Dalley's understanding was that the legislation intends to manage and mitigate higher property insurance costs and/or cancellations. The intention, implications, and impact of the law are not completely understood but more information was expected to be forthcoming.

Emily reported that the website specifies that the bill will not go into effect until 2027 but does not give a specific date.

Deputy Fire Chief/Training Officer, Marc Rose, reported that Bridgette Butynski from Washington County and Heber Heyder have offered to make a presentation in Pine Valley.

10. Fire Department Report – Deputy Fire Chief, Marc Rose.

Deputy Chief Rose presented the Fire Department Report and stated that last month there were 12 calls. 66 response hours were reported along with 185 training hours and 131 other hours. Training hours include Thursday or outside trainings. Other hours include vehicle and station maintenance. So far this year, there have been a total of 382 volunteer hours reported . During this same time period in 2025, there were 748 volunteer hours, and in 2026 there were 649 hours. The difference was attributed to having done RT-130 last year in February, which equates to around 100 manhours. This year it takes place in March and those hours will be reported at the next meeting.

The new ambulance is now in service. It is a 2008 four-wheel drive ambulance that the department received from Enterprise and can go anywhere in the valley. The new ambulance was put into service on February 19 and the station received its first call on February 20. The ambulance has 87,000 miles on it and a rebuilt motor with about 10,000 miles. Deputy Chief Rose felt fortunate to have the new ambulance. He reported that the old ambulance was returned to Enterprise.

Chair Dalley commented that one advantage to Pine Valley having its own ambulance is that it saves time in transporting patients rather than waiting for an ambulance to come from Central or Enterprise. Deputy Chief Rose also noted that it saved the department $150,000 by not having to purchase a new one. He expected the ambulance to serve the community for the next five to 10 years.

Deputy Chief Rose expressed pride in the firehouse, which is clean and organized. He was grateful for a recent donation from an anonymous citizen of tables, chairs, bookshelves, couches, desks, etc.

Bob Bailey, Brad Esposito, and Gunn Wastlund were thanked for their work installing the new lights in the bays. Emily asked that going forward the exterior lighting on the firehouse be downlit to be in compliance with the night sky requirements contained in the Overlay Zone. Chief Hardy expected compliant lighting to be installed this year.

Deputy Chief Rose reported that the department has three new members. Chair Dalley commended the department for their hard work and diligent training.

It was noted that there are 110 vacant lots in the Valley and 575 homes. There are 218 water reservations with none remaining.

11. Clerk and Treasurer's Reports (February) – Rick Peetz and Teri Forbes.

Treasurer, Teri Forbes, presented the Treasurer's Report and indicated that she reconciled the bank accounts and found all to be in order.

Clerk Rick Peetz presented the Clerk's Report and described activity into and out of the accounts.

Emily Neilson moved to APPROVE the January Clerk's Report and the February Clerk and Treasurer's Reports. The motion was seconded by Mark Owens . The motion passed with the unanimous consent of the Board.

12. Update on County Audit – Chair Dalley, Rick and Teri.

Chair Dalley reported on the County Audit and stated that he, Rick, and Teri have been working with Susan Lewis to answer questions. The findings are currently under review.

13. Update on Community Center Meeting with County – Allen Cannon.

Work with the County on a community center was described. Discussions were ongoing.

14. Citizen Requests.

There were no citizen requests.

15. Other Business.

There was no Other Business.

16. Adjournment.

Mark Owens moved to ADJOURN. The motion was seconded by Emily Neilson. The motion passed with the unanimous consent of the Board.

The meeting adjourned at 7:47 PM.

The next PVSSD meeting will be on Wednesday, April 8, 2026.

AGENDA ITEM #7

Good morning,

Here is the update on HB 48 and the WUI code changes now made in HB 41 (attached). The deadlines to update codes and implement changes have been changed from January 1, 2026, to January 1, 2027. No mandatory property inspections, assessments, or fees go into effect until 2027. The law still contemplates annual fees based on building square footage and triage scores from assessments. Landscape mitigation and structure hardening can reduce fees. If a homeowner doesn't want to get their property assessed for WUI compliance, they can be charged the highest fee. The fees can't be added to property tax bills until January 1, 2027.

Read 65A-8-203(2)-(4). It is still contemplated that counties will enter into cooperative agreements with the Division of Forestry, Fire, and State Lands to enforce the WUI updates. If a county complies with its cooperative agreement, the state will assume its cost of suppressing catastrophic wildfires. It requires counties to have a designated fire warden to do the following: (1) require fire service providers meet minimum wildland fire training and certification, (2) have standardized suppression equipment, (3) invest in prevention, preparedness, and mitigation efforts, (4) use the fee money to fund these requirements, (5) provide proof of compliance to the state and an accounting of fees spent, (6) remit excess fees to the state wildfire fund to pay for fire preparedness, **(7) adopt and enforce the WUI building standards for properties in the high risk wildland urban interface** as defined in UCA 65A-8-401. The item in bold is in the purview of the Community Development department (plus whatever else is assigned to your department, and we don't know yet what that will be).

The proposed fees apply only to a "high risk wildland urban interface property" as defined by statue and supported by adopted maps. The state still must develop a scientifically based online wildfire risk assessment map. We need to look at the new state map, and look at our local map (draft), and adopt them. But, we may want to wait until August-October to adopt maps, because HB 41 requires the state to share any updates by August 6th, and it allows counties to challenge the map. See, UCA 65A-8-203(8)(d).

Under HB 41 the State Construction Code adopts the 2024 edition of the International Wildland-Urban Interface Code issued by the International Code Council, less section 602,

and replaces prior versions adopted by the state (i.e., the 2006 version). See UCA 65A-8-203(9)(a)-(c) for more instructions to counties about adopting the new WUI code building standards. If the county doesn't adopt and enforce the new building standards, the state can choose not to assume its cost of suppressing catastrophic wildfires.

Parts of HB 41 are effective May 6, 2026, and parts are effective January 1, 2027. We will keep working on this, but we have more time.

Victoria H. Hales
Washington County Attorney's Office

AGENDA ITEM #11

PINE VALLEY SPECIAL SERVICE DISTRICT
2025 YEAR-END REVIEW

In December 2025, a letter from a concerned citizen living in the Pine Valley Special Service District was received by the Washington County Commission office. Due to the concerns voiced in the letter, the matter was handed over to the Washington County Auditor's office for investigation and review.

To begin the review, a copy of the Policies of the Pine Valley SSD on file with Washington County and approved by the Pine Valley Special Service District during 2025 were obtained and reviewed. It was decided that each policy would be reviewed to determine if the Pine Valley SSD complied with their own policies, as well as if the district had the policies in place required by the Utah State Auditor.

FRAUD RISK ASSESSMSENT-

The Pine Valley SSD had completed the Fraud Risk Assessment for year-end 2025 as required by the Utah State Auditor's office. As part of the assessment the district indicated that they had the following policies:

1- Conflict of Interest
2- Procurement or purchasing policy
3- Ethical Behavior
4- Reporting Fraud & Abuse
5- Travel
6- Credit or Purchasing card (where applicable)
7- Personal use of Entity assets
8- IT and computer security
9- Cash receipting and deposits.

In reviewing the Pine Valley SSD policy manual, the policies were in a different order than above, but each was included in the approved policies.
Page 3- Conflict of interest and Ethics pledge
Page 28- Procurement policy
Page 32 – Reporting of Fraud & Abuse
Page 36 – Travel
Page 15- Purchasing or credit cards, (the district has a policy but does not currently use purchasing cards or credit cards)
Page 15- Personal use of Entity Assets
Page 25- IT & computer security
Page 8- Cash handling policy

Along with required policies, the Fraud Risk Assessment asks questions concerning the management of each district.
1-The district affirmed that they have a basic separation of duties,
2- The district has a licensed or certified expert as part of its management team,

3- The district also has a member of the management team that has at least a bachelor's degree in accounting.
4- The district completes the annual required training from the Utah State Auditor's website,
5- The district has a formal internal audit function
6- The district has a formal audit committee.
(See attached Fraud Risk Assessment completed by Pine Valley SSD in 2025)

In reviewing the structure of the district:

1- They do appear to have a separation of financial duties with a Treasurer who receives payments and deposits money. A Clerk who writes the checks but typically does not sign the checks. The clerk also bills the assessments, but doesn't reconcile the bank statements, as well as members of the board who at least quarterly review the checks written, compare to the bank statement, with a financial report being presented to the board at each of the monthly board meetings.
2- The current board Chair is a CPA
3- One of the board members does have a bachelor's degree in accounting
4- Training is overseen by another member of the district board. Copies of the certificates of completion were provided as part of this internal review. Also, as meeting minutes were listened too, it was noted that the Chair encouraged the board members to complete the training at the beginning of 2026 for this upcoming year.
5- Two of the board members review the financial transactions and bank reconciliation as part of their assigned duties. There is no formal paperwork indicating that these board members are the internal audit team, but they are assigned these duties as members of the board who have credentials and expertise in financial transactions. These board members act as the internal audit function for the district.
6- There is no paperwork creating a formal audit committee nor a written charter of the committee's duties. In the Pine Valley Special Service District, the full board acts as an audit committee as the full board reviews the financial transactions and a CPA firm is retained by the board to complete the year-end financial statements for the district. Due to the size of the district, an audit is not required yearly. Typically, an entity of this size would not have a formal audit committee nor a written charter of the audit committee's duties.

FINANCIAL AND COMPLIANCE SELF-EVALUATION-

Because it was year-end 2025 and the appropriate time for the Pine Valley Special Service District to complete their year-end processes, it was determined that a Financial and Compliance Self-Evaluation Form for Local Government Entities with a Total Annual Revenue and Expense Less than $350,000 would be completed by Washington

County for year-end 2025 as part of the review and recommendations would be made based on any findings from the Self Evaluation.

The Pine Valley Special Service District board and employees were helpful in obtaining the information necessary to complete the procedures and questions associated with the Self-Evaluation process.

The first area of compliance on the Self-Evaluation form is a review of policies of the Pine Valley Special Service District. Several had been reviewed as part of the Fraud Risk Assessment; additional written policies were reviewed as part of the Self-Evaluation process. Namely:

1- Written policy concerning receiving, recording & timely deposit of funds
2- Purchasing
3- Approval of disbursement
4- Records request (GRAMA) and the adoption of a uniform fee schedule
5- Records retention
6- Conflicts of interest

As previously mentioned, the cash handling policy for the Pine Valley Special Service District is located on page 8 of the district policy manual.

Purchasing requirements, including the appointment of the Fire Chief as the purchasing agent for the Pine Valley Special Service District are found on page 28 of the policies The purchasing policy and the purchasing card and credit card policy address the approval amounts for disbursements.

A board member is designated as the Records officer and completes GRAMA requests, as well as completes the required annual GRAMA training.

Conflict of interest is addressed in the policies as well as the requirement to complete a conflict of interest disclosure annually.

The second section of the Self Evaluation asks questions concerning the District budget and the approval process.

The budget was appropriately noticed online, as well as presented using the required 3 column detail. The budget was approved prior to the beginning of the new year and was amended to account for differences before the end of the year and prior to spending amounts causing a budget deficit.

The next section of the Self Evaluation questions reporting.

Documentation was provided by the District to prove that financial information is maintained and used to create financial reports. These reports are provided to the oversight board at the board meetings. In reviewing the reports to the board, all reports were submitted.

There were months where the reports did show budget vs actual, and other times the financial reports were presented in a different format.

2025 was an unusual year due to the Forsyth Fire that required evacuations of people living in Pine Valley and evacuation of district employees. Without access to the records there was a period of time during the summer that reporting was spotty. The stress associated with the fire as well as the district fire personnel working long hours with little down time in an attempt to save as many structures as possible, made 2025 a difficult year.

The Board reports that were reviewed were compared against the budget and the bank statements and check register to verify correct information was presented to the board.

The next section related to the actual bank statements. The bank statements for each bank account for each month along with the bank reconciliation for each month were provided by the district.

From these documents, several of the cleared checks were picked at random and the back-up documentation or invoices were requested to verify that the checks were:

1- Written and signed by only authorized personnel
2- Written for an approved purpose confirmed by the invoices
3- Written and paid for a need consistent with the districts purpose
4- Signed by an individual other than the person the check was made payable to

All of the checks were determined to be for valid needs of the district, were written and signed appropriately.

There was an instance that the Clerk wrote a check out to himself for reimbursement of expenditures made by the district, and the clerk also was one of the signers on that check. As a backup to the signers on the bank account, the Clerk is a signer to help facilitate timely payments of outstanding bills.

Verification was made that all these bank accounts were reconciled monthly and that the general ledger accounted for the deposits and the checks written by the district.

Also from the bank statements, several of the deposits were reviewed and the backup documentation for that payment to the district was reviewed to verify:

1- That the payment was made out to the District
2- That payment was for an approved charge per the approved fee schedule
3- That the payment was deposited into the bank account owned by District
4- That the deposits were made in a timely manner

All the back-up documentation for deposits reviewed showed that payment to the district for the yearly assessments or impact fees. These deposits were traced to the bank

statement showing that the deposit was added to the bank account of the Pine Valley Special Service District, and the deposits were made timely.

The next section of the Self Evaluation is concerning payments made by a purchasing card or credit card.

The Pine Valley Special Service District does not currently use p-cards nor credit cards for purchases. They have a policy in place for when the time comes that a district credit card or purchase cards become available.

The Utah State Auditor included in the Self Evaluation a section concerning the Open and Public meeting laws. This is the next section reviewed.

Several of the meetings held by the District during 2025 were listened to, agendas and meeting minutes were read. It was found that all meeting agendas were posted timely to the Utah Public Notice website. After the meeting minutes were approved, the minutes from the meetings were also posted timely to the Utah Public Notice website. In listening to the meetings, there were no instances found that the advisory board acted on any items discussed that were not on the agenda. Several times during board meetings, a citizen brought up an item to discuss that was then moved to be added to the next meeting to allow time to research the issue, and to appropriately act on items included on the agenda.

Per minutes, and discussions with the employees it was found that there were no closed meetings held in 2025.

The State compliance questions were posed to the Chair, various board members, the clerk and treasurer of the district. It was found:

1- That there were no instances of nepotism.
2- The district board members completed the training required by the Utah State Auditor's office and provided copies of the certificates of training.
3- One board member is assigned as the records officer who completed the required GRAMA training.
4- The entity is registered on the Local Governments limited purpose entity registry
5- Crime insurance is in force for the Pine Valley Special Service District to cover losses that may occur due to fraudulent acts
6- The entity has been free of acts of fraud, illegal acts and instances of non-compliance
7- The Fraud Risk Assessment was completed and posted prior to year-end.

OTHER MATTERS-

The following items discussed and discovered as part of this review are suggestions that the district may or may not choose to incorporate into its processes.

1- Fraud Risk Assessment- Washington County has a fraud hotline reporting function on the front page of the Auditors website (at the bottom). Pine Valley Special Service district as a component unit of Washington County could claim the points for question #7 on the yearly fraud risk assessment by providing this information on the district website or linking the district website to the fraud reporting page of the County website.

2- Question #8 of the Fraud Risk Assessment asks if the entity has a "formal" internal audit function. The district has indicated yes to this question because members of the board are assigned to oversee and review the financial transactions of the district as least quarterly.
When this question was asked of the Clerk, and the board, the response was split between the internal audit function being formal vs informal. If the board members are assigned this function on the record and show in the minutes of the board meeting that these board members serve as the internal auditor, that could be considered a formal creation of the internal auditing function

3- Question #9 of the Fraud Risk Assessment asks if the entity has a "formal" audit committee. Again, the answer to this question was split between those questions, considering the audit committee to be created formally or being created informally. Because Pine Valley Special Service District is not required to complete a yearly audit based on its revenues, this again could be formalized in a district meeting, with minutes reflecting that the full board, or certain assigned board members could be considered as the audit committee when it engages a CPA firm to complete the district financial statement at the end of each year. From the minutes reviewed, it was not found that this type of formalizing the audit committee had taken place.

4- As part of the Financial Self-Evaluation, it was shown that the Pine Valley Special Service District has no p-card or credit cards in the name of the district. It is suggested that this addition to the ways that invoices are paid by Pine Valley SSD could:
   a. Save the writing of several reimbursement checks each month for items that the clerk, the fire chief or members of the board purchase on behalf of the district
   b. Help provide confidence to the public that checks written to the board members, the clerk or the fire chief are not part of their salary/wage. When a citizen looks at the ledger and sees many checks written to these individuals, it appears that the district is paying the board and staff more than has been

budgeted and paying the individuals often. When in truth, the payments are simply reimbursements.

c. Possibly provide a small income stream to the district due to the rebates paid by several financial institutions for use of their p-card/credit card program
d. Simplify the purchase process by charging purchases to the card, which can be set up to be paid automatically monthly, and attaching a photo of the receipt for purchase detailing what the purchase was for, and what expense account should pay for the purchase.

5- In a recent meeting, the board discussed no longer using the Clerk's personal Venmo account to receive funds but instead have the district obtain its own Venmo account to receive funds from the district members. This would provide better security for the district funds and similar to using the p-card above, would simplify the process for citizens to pay their bills with the confidence that the funds were received by the district and only used for approved, budgeted uses.

DRAFT

Financial and Compliance Self-Evaluation Form for LOCAL GOVERNMENT ENTITIES with Total Annual Revenues & Expenses Less than $350,000

For years ending June 30, 2025, and later

SECTION 1. BACKGROUND: Governing bodies are responsible for ensuring that entity resources are used in an efficient, effective, and lawful manner. As such, governing body members should take a proactive role in monitoring and evaluating the entity's financial and compliance processes.

The Office of the State Auditor (OSA) developed the following procedures to assist governing bodies with:

- improving or implementing good business practices;
- complying with policies, procedures, and laws; and
- limiting the potential for misuse of resources.

SECTION 2. INSTRUCTIONS:

This self-evaluation must be completed by a member of the governing body (Evaluator), such as a town council member or district board member, **who does not handle the entity's finances.** For example, in an entity with only three board members where the board chair also serves as the chief administrative officer, and the other two board members serve as the clerk and treasurer, the board chair would be the Evaluator and perform the procedures on this form. For procedures and questions where 'financial staff' are referenced, using the previous example, 'financial staff' would be the board members who serve as the clerk and treasurer. Otherwise, financial staff are those individuals who are charged with maintaining the entity's finances.

The Evaluator will examine financial documents (see Section 3 below for a list of documents), inquire with financial staff, and then address the form questions. The questions are designed so that "No" responses indicate weaknesses or noncompliance. **For all "No" responses, the Evaluator must provide, in the designated column, a corrective action plan that will remedy the weakness or noncompliance going forward.**

We anticipate the time to complete this form to be 4 to 8 hours; however, completion may take only 2 hours if the entity is very well organized. **The completed form is required to be submitted to the OSA within 180 days after the fiscal year-end as part of the annual reporting package via our reporting website:** reporting.auditor.utah.gov. Please note that your uploaded form will be available to the public, and the answers provided on this form are subject to audit by the OSA or its designee.

NOTE: The entity may choose to contract with a CPA or other finance professional who does not handle the entity's finances to complete this form. Access the *Approved Vendor List* at: resources.auditor.utah.gov.

For additional assistance understanding this form, please contact Seth Oveson at 435-572-0440 or soveson@utah.gov.

SECTION 3: DOCUMENTS NEEDED TO COMPLETE THE SELF-EVALUATION PROCEDURES

To reduce the amount of time in completing this form, the Evaluator should obtain the following documents **before** performing the self-evaluation procedures:

1. Written financial policies and procedures.
2. The original budget, any amended budgets, and the final budget.
3. Newspaper notices or information from the Utah Public Notice Website (pmn.utah.gov) of all budget hearings.
4. The year-end financial report (also referred to as the "financial statements" or "Financial Survey").

5. The accounting records worksheet—for example, the book checkbook register; the ledger; or transactions maintained in a spreadsheet, QuickBooks, or other electronic software.
6. Copies of all financial reports presented to the board/council during the year.
7. Copies of bank statements and bank reconciliations for all entity accounts for the entire fiscal year.
8. Copies of all cash receipt logs or receipt books for the year.
9. Copies of all credit card or purchasing card statements for the entire fiscal year.
10. Board/Council meeting minutes for the year, including budget hearings.
11. Copies of the Treasurer's Crime Insurance documents (see question 32 for more information).

DRAFT

SECTION 4. PROCEDURES & QUESTIONS:

- Every question must be marked as either "Yes," "No," or "N/A" if appropriate.
- For any "No" responses, describe how the weakness will be corrected in the comments / corrective action column. Please attach any additional information as needed to detail the corrective action.

Entity Name: PINE VALLEY SPECIAL SERVICE DISTRICT

For Fiscal Period Ending: 12-31-2025

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
GENERAL				
Procedure: Obtain copies of or access to, the entity's written financial policies and procedures. Note: Policies should written. If no written policies exist, question #1 below should be answered with "No."				
1. Do the policies and procedures address the following:	X			
a. Receiving, recording, and timely deposit of funds?	X			
b. Purchasing?	X			
c. Approval of disbursements?	X			
d. Records requests (GRAMA) – the adoption of a uniform fee schedule if fees are being charged?	X			
e. Record retention?	X			
f. Conflicts of Interest	X			
Procedure: Ask financial staff questions about the policies above to determine their knowledge of the policies.				
2. Per your discussion, are staff knowledgeable of the policies?	X			
Procedure: Ask the financial staff how they keep up to date on new State, accounting, and compliance requirements and about any training they have received during the past year. Review any certificates or other training materials if available.				
3. If financial expertise is lacking, has help been sought from peers, auditors, or outside consultants?	X			
BUDGET				
Procedure: Obtain copies of (1) the original budget, any amended budgets, and the final budget presented at budget hearings; (2) the related budget hearing meeting minutes and (3) the newspaper notices for those meetings (or information of the meeting notices from the Utah Public Notice Website (utah.gov/pmn/).				
4. Was the required 7-day notice given to the public for all budget hearings (i.e., for original, amended, and final budget)? EXCEPTION: Notice is not required to amend an enterprise fund budget.	X			
5. Was the original budget approved by the governing body before the start of the fiscal year?	X			

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
6. Did the original budget include three columns of data – (1) actual revenues/expenses from the last completed fiscal year, (2) estimated total revenues/expenses for the current fiscal year (i.e., the year about to end at the time the budget was created), and (3) budget estimates for the upcoming fiscal year? (see example below)	X			Requested column headings

EXAMPLE BUDGETS

Budget for FYE 12/31/15 (prepared in Nov 2014)

	1	2	3
Description	**Actual Amts of Last Completed Fiscal Year**	**Estimated Current Fiscal Year Amts**	**Budget Estimates for Upcoming Fiscal Year**
Property Taxes	$56,852	$55,450	$56,000
Building Permits	$42,139	$39,271	$43,000
	This is the entity's final, end-of-year amount from FYE 12/31/13	This is what was estimated would be the final, end-of-year amount for FYE 12/31/14	This is the entity's estimate for FYE 6/30/15

For Entities with FYE 6/30/16 (budget prepared in May 2015)

	1	2	3
Description	**Actual Amts of Last Completed Fiscal Year**	**Estimated Current Fiscal Year Amts**	**Budget Estimates for Upcoming Fiscal Year**
Property Taxes	$56,852	$55,450	$56,000
Building Permits	$42,139	$39,271	$43,000
	This is the entity's final, end-of-year amount from FYE 6/30/14	This is what was estimated would be the final, end-of-year amount for FYE 6/30/15	This is the entity's estimate for FYE 6/30/16

7. If any amendments were necessary, was the budget amended BEFORE payments were made that exceeded the budget and not just at the end of the year?	X			
YEAR-END FINANCIAL REPORT/STATEMENTS or OSA FINANCIAL SURVEY				
Procedure: Obtain a copy of 1) the final budget and 2) the year-end financial report/statements or OSA Financial Survey				
8. Did the entity's expenses stay within the amount appropriated in the final budget?	X			

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
9. **Municipalities only:** Was the entity's unrestricted general fund balance (calculated as assets less liabilities less restricted funds such as funds set aside for B&C roads) less than **35% for cities** or **100% for towns** of the total revenue of the general fund for the year?			X	
10. **Special Districts and Special Service (Including Conservation) Districts that operate a general fund:** If the district only operates an enterprise fund, this question does not apply. Fees for services (utilities, water assessments, etc.) are generally accounted for in an enterprise fund. Was the entity's unrestricted general fund balance (amount in all bank accounts at the end of the year) less than or equal to the most recently adopted budget, *plus* 100% of the current fiscal year's property tax revenue?			X	
REPORTING				
Procedure: Look through the accounting records worksheet (e.g., the checkbook register; the ledger; or the transactions maintained in a spreadsheet, QuickBooks, or other electronic software). Then look over the supporting documentation maintained by the financial staff.				
11. Does it appear that financial records (documentation) are maintained to support transactions, balances, adjustments, etc., and the preparation of the financial reports?	X			
Procedure: Obtain copies of all financial reports presented to the board/council during the year.				
12. Were financial reports prepared and presented to the governing body monthly (municipalities) or quarterly (districts)?	X			
13. Did the reports include a comparison of actual expenses/revenues to budgeted amounts?	X			
Procedure: Select at least two financial reports presented to the board/council during the year. From each report, se at least five line items from the report and compare those lines to the checkbook register or ledger, bank statement, a approved budget.				
14. Do the financial records match the reports presented to the board/council?				
BANK STATEMENTS				
Procedure: Obtain copies of bank statements and bank reconciliations for all accounts for the entire year. Ensure tha the bank statements include copies of canceled checks.				
15. Are reconciliations (i.e., a comparison between the bank statement and the entity's books) being performed monthly for all bank and investment accounts?	X			
16. If the person performing the bank reconciliation can also write checks and make deposits, does someone else also perform a detailed review of the monthly bank/investment reconciliations?	X			

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
Procedure: Obtain the cash receipt logs or receipt books for the year. Select at least 10% or 5 (whichever is less, bu least 5) of receipts issued during the year.				
17. For each individual receipt selected, review the corresponding bank statement and determine that the receipt was deposited into the bank. (Note: individual receipts may have been batched together into a deposit, so also obtain the corresponding deposit listing, if applicable).	X			
Procedure: From the monthly bank statements, select at least 10% or 25 (whichever is less, but at least 5) of the payments made during the year. Be sure to include checks, debit card purchases, and other withdrawal transactions your selection. For each selection:				
18. Review the canceled checks (if applicable). a. Were they signed by only those who are authorized?	X			
b. Were they signed by persons other than the person to whom the check is made payable?	X			
19. Were the payments supported by invoices and other documentation detailing the items/services purchased or funds transferred?	X			
20. Were the transactions consistent with the entity's purpose?	X			
Procedure: Obtain copies of all credit card or purchasing card statements for the year. Look through the supporting receipts and other applicable documentation.				
21. Are purchasing/credit card transactions reviewed by someone other than the cardholder for appropriateness and for supporting documents, such as receipts?			X	Pine Valley SSD has no P-cards- do have a policy in place in case they us P-cards in the future.
22. Does it appear that purchase cardholders are required to submit receipts for all purchases made?			X	
OPEN AND PUBLIC MEETINGS ACT				
Procedure: Obtain the schedule of meetings for the board/council for the year. Select at least two of the meetings ar obtain copies of the meeting minutes, including the agenda. Find the notice of each meeting on the Utah Public Notic Website (utah.gov/pmn/).				
23. Did the entity give proper notice of the meeting at least 24 hours before each meeting by posting the notice on the Utah Public Notice Website?	X			
24. Did the governing body take final actions *only* on those topics listed as agenda items?	X			
25. Within three days of the meeting minutes being approved, were the minutes posted to the Utah Public Notice Website?	X			

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
26. If a portion of the meeting was closed to the public, answer the following questions: a. *Before the meeting was closed*, was the reason for holding the closed meeting documented in the meeting minutes and a roll call vote taken?			X	No closed meetings for 2025
b. Was the reason for closing the meeting permitted under statute? Meetings may be closed for only the following: • Discussion of the character, professional competence, or health of an individual. • Strategy sessions for: ○ Collective bargaining ○ Pending or imminent litigation ○ purchase, exchange, lease, or sale of real property, including water rights and shares • Discussion of security personnel, devices, or systems. • Investigations regarding allegations of criminal conduct. • Considering a loan application, if public discussion of the loan application would disclose nonpublic personal financial information, nonpublic trade secrets, or certain nonpublic business information			X	
c. Was an audio recording of the closed meeting made, **-or-** if the meeting was closed to discuss (a) the character, professional competence, or health of an individual or (b) the deployment of security personnel, devices, or systems, did the person presiding at the meeting sign a sworn statement affirming that the sole purpose for closing the meeting was to discuss those matters?			X	
27. Per your knowledge or review of the board/council meeting minutes, did the presiding officer of the governing body ensure that members of the governing body were provided with annual training on the requirements of the Open and Public Meetings Act? NOTE: This training may be completed via in-house training or training.auditor.utah.gov.	X			
OTHER COMPLIANCE				
Procedure: Inquire of management and financial staff, or make observations as to whether the following occurred:				

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
28. Is the entity compliant with State nepotism and hiring laws and the entity's own policies and procedures regarding nepotism? Generally, no public officer may employ, appoint, vote for, or recommend a relative for employment. Further, no public officer may directly supervise any appointee who is a relative. Relative means father, mother, grandfather, grandmother, stepchild, husband, wife, son, daughter, sister, brother, aunt, uncle, nephew, niece, first cousin, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, or daughter-in-law.	X

30. **Municipalities Only:** Is the person serving as either the municipal recorder or treasurer a person other than the mayor of the municipality?				
31. **Municipalities Only:** Are the recorder and treasurer of the municipality separate people?				
32. **Municipalities and Counties Only:** Do all municipal elected officials hold no county elected office?				
33. **Counties Only:** Do all county elected officials hold no municipal elected office?				
34. **Special Districts and Special Service Districts only:** Did each member of the board of trustees, within one year of each appointment/election, complete Board Member Training (training.auditor.utah.gov)? Obtain a copy of the training certificate to verify.	X			
35. Did the entity register on the Local Government and Limited Purpose Entity Registry (entityregistry.utah.gov)?	X			

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
Procedure: Obtain copies of the Treasurer's crime insurance documents. "Treasurer" is defined as the person who h the responsibility for the safekeeping of the entity's funds. This could be an elected or appointed treasurer, clerk, or financial secretary. Crime insurance is a form of insurance protection that covers losses that may occur as a result of fraudulent acts, including fraudulent acts committed by the Treasurer.				
36. Is the Treasurer properly insured in accordance with Utah Administrative Code R628-4-4 and Utah Code 51-7-15 for the Money Management Council, which states that for an entity with a revenue budget between: • $0 and $10,000 no crime insurance is required. • $10,001 and $100,000, the crime insurance coverage should equal 9% of total revenues or $5,000, whichever is greater. • $100,001 and $500,000, the crime insurance coverage should equal 8% of total revenues or $9,000, whichever is greater. The basis used should be all budgeted gross revenue for the previous fiscal year (final budget). Budgeted gross revenue is further defined by the Money Management Council as also including proceeds from the sale of assets, borrowing proceeds, revenues of fiduciary funds, and any other revenues collected or handled by the treasurer. Crime insurance must be issued by an insurer licensed to do business in the state of Utah with a current A.M Best Rating of "A" or better, or by an interlocal agency created under UCA 11-13-101 operating as a joint self-insurance fund. A joint self-insurance fund providing coverage under this section must maintain a restricted account in the PTIF equal to 50% of the per-occurrence limit of coverage.	X			Cannot see the amount of insurance coverage, but have verification that th do have insurance.
Procedure: Obtain a copy of the fee schedule, governing body minutes, consolidated utility bill (and other bills, if applicable), and management record used to track fee expenses. This procedure does not apply to impact fees.				

DRAFT

Procedures & Questions	Yes	No	N/A	Comments / Corrective Action
37. a. Does the entity have a schedule of fees charged that has been adopted by the governing body?	X			
b. Have all fees being charged been approved by the governing body?	X			
c. If fee revenues exceed fee expenses, does the entity track excess revenues to ensure they are expended only for the provision of the service for which the fee is assessed?	X			See the impact fee schedule
38. Does the entity require and maintain a conflict of interest disclosure for all officials and employees with decision-making or management responsibilities? This should be updated annually.	X			
39. If the entity collects Personally Identifiable Information (PII) is it compliant with Utah Code 63D-2-103?				
FRAUD, ILLEGAL ACTS, OR NONCOMPLIANCE ISSUES				
Procedure: Ask the financial staff and management if they are aware of any fraud, illegal acts, or noncompliance iss occurring. Also, review board/council meeting minutes for the same. Per your discussion, review, and personal knowledge, if you find that any fraud, illegal acts, or noncompliance occurred, inquire what the financial staff and management have done to correct the issues. Further, ask them what procedures they have put in place to prevent o detect the same from happening in the future.				
40. Has the entity been free of acts of fraud, illegal acts, or non-compliance?	X			
41. If fraud, illegal acts, or noncompliance occurred, was sufficient action taken to minimize the risk of reoccurrence of fraud, illegal acts, or non-compliance?	X			
42. Was the Fraud Risk Assessment Questionnaire completed and presented to the governing body before the end of the fiscal year?	X			
CORRECTIVE ACTION PLAN				
43. For any "No" responses, have corrective actions been detailed above or in the attached documentation?	X			

DRAFT

SECTION 5. CERTIFICATION:

I confirm to the best of my knowledge, and in the acting capacity of my responsibilities as a member of the stated local government's governing body, that I performed the procedures enumerated above; or I have reviewed the work of the designee who assisted in the preparation of this form and I take responsibility for the accuracy of the work; and that the information provided in this form is correct.
