Welcome: Frank Davie

Minutes from October 13th, 2021: Bob approved, Herman seconded and all in favor.

Board Member Reports:

Frank Davie, health related Pine Valley activities: A Go-Bag class is scheduled for November 6th. In January a communication (ham radios, etc.) seminar will be scheduled.

Bob Dalley, traffic report: Bob reported last month's electronic speeding sign data. Traveling from east of Pine Valley to Green Valley Rd. has almost doubled in the last 2 years. Other directions are pretty much the same. 95% of the traffic traveling east bound from the campground was within speeding limits last month. Traffic from the west to Green Valley Rd. had 82% traveling within the speeding limit.

Herman Nordbruch, county crime report – Bookings for the last 5 days were steady compared to past months. No significant arrests in the county, and no crimes in Pine Valley last month.

Neighborhood Watch: Allen reported the following update:

- Gene Phillips has helped perfect the Pine Valley CERT (Citizen Emergency Response Team) program that we have in the valley.
- The board supports the process of continuing to develop a local Neighborhood Watch Program that was suggested by the Sheriff's Office.
- Herman is aware of the process and what has been worked on. Gene called to discuss with Allen the details and status of where he was with not only updating CERT but folding in the Neighborhood Watch.

In an effort not to duplicate what has already been done, Allen would like to suggest that he work with Gene to establish a workable plan that we anticipate will be well received by the Sheriff's Office when we are ready to roll it out for their support.
Allen suggests that the board bring in Gene Phillips next month to give an update. All agreed.

Herman is scheduled to hold a Radio Class in January that will be the primary source of all our communication.

Home Fire Alarms: No updates.

Pine Valley Dump: Frank reported a large dumpster overfilled with branches and the county could not haul it away. Otherwise, the dump is clean and no other issues.

Initial Budget: Presented by Rick.

Treasurer Report: Rick presented financial. Bob approved. Rick renewed the subscription of the electric traffic signs.

Citizens Request: No comments or requests.

Meeting adjourned.

The next scheduled PVLAD meeting will be December 8, 2021
