A. Welcome: Bob called the meeting to order.

C. New Webmaster - Emily

No updated information. Adding to the June agenda.

D. Updating Purchase Policy, Action Item - Emily

Emily proposed amending the Purchase Policy to allow the implementation of auto-pay options, which permits recurring expenses if the Clerk or Treasurer receives prior approval from the PVSSD board, and changing section 10 to lower the reimbursement without board approval from $3000 to $2000. The proposed amendments were emailed to the board on March 5, 2025. --- seconded, and all in favor.

E. Fire Department Report

Rick and Rob presented the April report. The department responded to five calls: four EMS calls and one fire call. All calls, including the fire, were in Central, with one in Pine Valley. They reported 380 volunteer hours, 248 training hours, 8 equipment hours, 30 response hours, and 102 'other' hours.

They reported that Marc Rose completed ICS (Incident Command Systems) training. Dwayne asked about the insurance rates; Rick mentioned that all training and equipment are used to improve ratings. Bob thanked the fire department for all their hard work.

F. Quarterly Board Financial Review – Allen & Bob

Allen reported a quarterly financial review meeting with Rick and LaDawn and recognized that they are doing what they are supposed to be doing. Separation of

duties is taking place, and time is being taken to review and balance relative to the safety of the resources. Bob was impressed with the online QuickBooks program. This review will take place each quarter.

G. Clerk Report

Allen had one question: the line-item Billable Expenditure Revenue mentioned it was under income. Rick will review and report back. Bob asked about April's donated funds; Rick explained that donations funded expenses. Bob asked about the positive and negative signs, which are not clear, and someone who is not an accountant may not understand.

H. Treasurer Report: LaDawn presented the Treasurer's report and reconciled the information. Note that the assessment fees are collected at 83%. We are compliant with the transparency report. Allen approved the financials, Steve seconded, and all were in favor.

I. Citizen Requests:

Bob mentioned that board member training must be completed by June 1st, and completion records should be sent to Steve.

Steve mentioned receiving an extensive GRAMA request from an unknown individual. He suggested that the board charge an hourly fee for large GRAMA requests and add the charges to our policies. This item will be added to the June agenda.

No citizen requests.

Allen moved to adjourn the meeting, Steve seconded the motion, and all were in favor. The next scheduled PVSSD meeting will be on June 4, 2025.
