Welcome, Prayer & Pledge of Allegiance: Frank called the meeting to order, offering the prayer, and Herman led the pledge.

Pine Valley Overlay Business:

1. Sandvik Barn—This project was previously approved; it has since been updated with living quarters. The board reviewed the updated information. Bob approved, Herman seconded, and all were in favor.
2. Davie Home—Frank provided the information for his new home. After reviewing the information, Bob approved the plans, Herman seconded, and all were in favor.

February 2024 Meeting Minutes: Herman approved the minutes, Emily seconded, and all in favor.

Board Member Reports:

1. Pine Valley Activities – Frank Davie, on March 10th there will be a presentation, Preparing for an Extended Power Outage at the fire station. March 16, 6:30 PM, an Irish Spring Fling Social and Potluck is scheduled. April 27th, a Nuclear Protection & Planning presentation will be held at 4:00 PM. All events are at the fire station.
2. Traffic Report – Bob provided an overview of why we purchased the four electronic traffic signs in the valley. Historically, funds were funded to the sheriff's department for coverage during the holidays. Four years ago, the board approved those funds to purchase four electronic traffic signs, pay for the sign fees, and provide maintenance. Data is collected, and Bob reviews the trends and how fast people are traveling. He observed traffic is down approximately a third from 2021 to 2024. Maximum speeds are up to 58 mph, which is a concern.
3. Washington County Crime Report – Herman stated no crimes were reported in Pine Valley last month, and no significant crimes were reported in the county.
4. Five County Public & Pine Valley Health Report – No report.

Community Watch:

Gene mentioned that the purpose of the Community Watch program is to protect Pine Valley and its residents. He reported that 100 families are currently in the

program. He encouraged residents to sign up for the Nextdoor app for information on the program and Community Watch activity in the valley.

Sheriff's Office Review:

Tom reported that Rick provided him access to the electronic traffic signs, which he is analyzing to provide traffic data for the deputies for peak and off-peak periods. He hopes to train deputies to read the data for future possible sheriff coverage in the valley.

Community Center: This agenda item is moving to the PVSSD board meeting from now on.

Treasurer Report: Rick reported the treasury report. Bob approved, Herman seconded, and all in favor.

Citizens Request:

Meeting adjourned. The next scheduled PVLAD meeting will be April March 6, 2024.
