Fire Chief: Robert Hardy
Guests Attending: Rob Nodine, Brian Davis, Claudia Davis, Rick Albee, Frank Davie

A. Welcome: Mary Esther called the meeting to order.

B. February Meeting Minutes: Bob approved the meeting minutes; Allen seconded, and all were in favor.

C. Board Member Reports:

Steve reported that he is uploading all historical information to the cloud for quick and easy access.

Emily emphasized the importance of making specific agenda items to ensure the public understands what is being discussed or approved.

Board Member Reports will be excluded from future agendas. Instead, board members will request to add specific items to the agenda.

D. Fire Department Report:

Robert presented the Fire Department's February report. The department responded to eight callouts, including six EMS calls—one in Pine Valley and the remaining in Central. Additionally, there were two fire-related calls: one for a gas leak and one false alarm for a brush fire. The department recorded a total of 338 volunteer hours.

Robert mentioned he sent the board the whitepaper, an EMS report/guide explaining the current EMS industry. He noted that Enterprise shares all issues and shoulders much of the EMS reporting for Pine Valley.

E. Updating Policies and Procedures, Action Item:

Emily previously sent the completed policies and procedure packet to the board for review and comments. She presented an updated Budget policy.

Allen mentioned a couple of possible corrections to the Reporting Fraudulent Abuse that were discussed with Emily.

It was discussed when the policies and procedures should be reviewed. It was agreed that they should be addressed as needed, specifically when issues arise. Emily mentioned she bought the PVSSD & PVLAD domains and asked for suggestions on who could build and manage the sites. LaDawn reminded the board of the existing pinevalleyutah.org site. The current administrator, Vicki Frei, wants to be replaced. The board agreed we would search for a new programmer (and identify funds that could be used) to help us build a site that could hold the public documents for both boards. Robert said he would approach a fire department member who may be interested.

Bob mentioned the fire department and the conflict of interest. Emily suggested they receive an electronic copy of the purchasing policy and training for all fire/EMS volunteers.

Emily recommended that the policies and procedures be approved as presented to the board on February 22, updated on March 1, and with the changes in the Budget Process and Reporting Fraud and Abuse as discussed at this meeting. Bob seconded, and all were in favor. The PVSSD Policies and Procedures adopted are as follows:

Emily gave Rick and LaDawn an independent contract contractor agreement for their duties and asked them to review and provide any input for changes.

F. Financial Audits:

At the last meeting, a discussion was held regarding financial audits. Bob noted that due to our size, we are not required to do a full audit, and it's not an audit but compilation work that augments the accounting work—a self-evaluation form/questionnaire. Bob suggested the completion of the policy with a Self-Evaluation Form to the duties of Clerk, Treasure, and Vice-Chair listed in the Board Member Responsibilities policy. Bob and Allen will have a work meeting with the clerk and treasurer in April and add it to May's agenda. This will be added to the clerk and treasurer's responsibilities.

Emily moved to add these duties to the clerk and treasurer sections of the Board Member policy and the proposed independent contractor agreements. Allen seconded, and all were in favor.

G. Clerk Report: Rick provided the financial reports for the board to review earlier. He expressed frustration with the QuickBooks program, noting the extensive time spent adjusting the system to prepare the assessment fee invoices. Bob moved the approval of the financials, Allen seconded, and all were in favor.

H. Treasurer Report: LaDawn presented the Treasurer's report. Allen and Bob will audit and review the financials quarterly with Rick and LaDawn, with the next review scheduled for April. The results of this review will be added to May's agenda. Bob moved to approve the financial reporting, Emily seconded, and all were in favor.

I. Citizen Requests:

Mark Owens reported that he is currently working on obtaining bids to complete the asphalt around the fire station. The fundraising dinner committee has committed to contributing $20,000 to $25,000. Robert expressed concern about the leach line, and Emily suggested that the funds might be better used to address other fire department needs rather than the asphalt project. Mark will seek additional bids for further consideration.

Brian apologized to the board for his actions in a previous meeting and wanted to move forward and work with the board.

Bob moved to adjourn the meeting, Allen seconded the motion, and all in favor. The next scheduled PVSSD meeting will be on April 2, 2025.
