C. Washington County Crime & Sheriff's Report: Herman reported the Purgatory statistics with no significant events in the county or the valley.

D. Five County Report: No significant activity affecting Pine Valley.

E. Update Policies and Procedures, Discussion Item – Emily

Emily reported developing the PVLAD policies using the PVSSD policies as a guide, with updates, changes, and deletions as needed. She also noted the addition of new sections, including Community Watch and the Pine Valley Overlay Process. Emily inquired whether PVLAD should have a disaster plan; Robert Hardy is handling that item.

Emily also asked who should serve as the purchasing agent. Bob suggested the purchasing agent should be a board member and proposed that the vice-chair serve in that role or designate someone as needed.

Additionally, Bob recommended that a designated board member conduct a quarterly bank reconciliation. He volunteered to take on that responsibility.

Emily added language to the policies regarding self-evaluation forms and independent contractors, assuming these procedures would apply to the PVLAD board as well as the PVSSD board. Bob confirmed that this was correct.

Emily made a motion to approve the policy and procedures, which were emailed to the board on March 6th, with the changes of the purchasing agent as the vice chair and the bank quarterly reconciliation as the chair or the designee. Bob seconded, and all were in favor.

Tom moved to have the forms completed and back to him by January 15th, starting in 2026, and June 15th for this year. Bob seconded, and all were in favor.

F. Community Watch – Tom & Gene Phillips: Gene reported that the last Call to Action event had a low turnout and noted he will work on improving participation. The Community Watch group currently has up to 110 members. A Community Watch meeting is scheduled for May 3rd at 4:00 PM, with Gene and Herman leading the session.

G. Clerk Report: Rick asked whether the assessment funds should be held as cash or moved to the PVLAD account, noting an amount of $9,000. Bob suggested that during this year's budget planning, adjustments can be made to account for 2026. Bob moved to transfer the $9,000 to the PVLAD account. Herman seconded the motion, and it was approved unanimously.

H. Treasurer Report: LaDawn presented the treasurer's report. Bob moved to approve both the clerk's and financial reports, Herman seconded, and all were in favor.

I. Citizen Requests: Bob asked about using available funds to increase the sheriff's presence in the area. He suggested revisiting the possibility of paying for additional patrols.

Herman noted that deputies have previously shown little interest in patrolling Pine Valley, which was a reason for installing the electronic traffic signs. However, he offered to contact the Sheriff's Department to reopen the conversation.

Herman recommended that any discussion be coordinated with the valley's busy dates and requested that an agenda item be added for the May meeting.

Bob moved to adjourn the meeting, Herman seconded the motion, and all in favor. The next scheduled PVLAD meeting will be on May 7, 2025.
