Welcome: Meeting called to order by Mary Esther. Prayer given by Mike Stucki and Pledge of Allegiance led by Allen.

General Business: Bob moved to approve the July 2021 meeting minutes, Mike seconded and all in favor.

Report on Enterprise – Pine Valley Ambulance Agreement: Steve reported the airlift is being repaired on the ambulance. Training is still in progress. No delivery date set.

Impact Fees: None received this past month.

Board Member Reports: Allen reported that a committee has been selected for planning and building a permanent post office building. Committee members include Allen Cannon, Steve Shakespeare, Mike Stucki, Mark Owens, Frank Davie and Rick Peetz. The committee met on August 3rd with the following discussion points and actions items.

Discussion Points

- Determine capacity needed, number of residence boxes required
- Location options, fire station expansion requirement and any building restrictions
- Design options (old fashioned bricks)
- Security concerns addressed
- Expansion of large boxes available
- With the township size that it is, what does it take to have an “official” post office i.e., Newcastle? What are the parameters?
- Cedar City Postmaster Lynn Bloxham has confirmed that he would like to come to Pine Valley for a meeting the end of August.

Action Items

- Frank Davie, Kent Provstgaard to develop Plat for overall plan
- Mike Stucki, Rick Peetz and Maxine Davie to work on possible grants
- Steve Shakespeare, Allen Cannon to meet with postmaster to determine scope of their involvement and to determine actual needed building size and security issues.

- Mark Owens to work with engineer to gather specs for groundwork, elevations, historical architecture input.

Bob reported that it will take 10-12 weeks before the temporary second building will be delivered to house additional post office boxes. The donations from the annual fundraising dinners are being used to purchase the building.

Emily Nielsen, who heads the Zoning Overlay Committee, asked Bob to report that they may a possible retired planning director who is interested in taking on the zoning overlay project and she hopes to have cost estimate soon. Bob reports that the county planning commission requested a letter from the committee with comments and suggestions on short term rentals, which most were taken from the June Zoning Overlay town meetings that were held.

Fire Chief Report: Fifteen incidents since our last meeting. Training is ongoing. Fire restrictions have changed to allow open fires in fire pits only. Water restrictions were lifted.

Treasurer Report: Rick presented financial reports for July 2021. Bob moved to approve, Allen seconded and all in favor. Rick reported the state created a new Fraud Risk Assessment report. Rick and Mary Esther reviewed the report and Rick is completing it.

Citizens Report: Duane Krohn mentioned that the dump continues to be an issue with prohibited items being left. The county has said they will close the dump if the problem continues. Ray Lindblom and Bob Bailey volunteered to check the dump on a weekly basis and do what they can to keep it clear.

The next scheduled PVSSD meeting will be September 1, 2021.

PVSSD Board Meeting adjourned. Moved into PVLAD meeting.
