Welcome: Meeting called to order by Frank. Prayer was given by Herman, and the Pledge of Allegiance was led by Allen.

Mail Building: Allen and Emily presented the Pine Valley Gathering Place Survey results. The majority of the 124 who responded to the survey strongly agree with a gathering place in the community. The board discussed the results of the survey. Discussions will resume going forward; however, the Forest Service must approve land use before any concrete plans are set. Allen Cannon is working in close contact with the Forest Service as a new director (ranger) is pending.

Pine Valley Overlay Business: No requests this month.

Board Member Reports:

Bob reported the traffic which is generally the same this time of year. Rick mentioned the electronic traffic sign parts are in.

Herman reported Purgatory bookings are within normal parameters. He mentioned that the Utah license plates can only be read by government officials. A State of Utah helicopter is in place at the St. George Regional Airport for police, rescue efforts, and other government community needs.

Community Watch: Gene reported 92 members are part of the program. Two new signs will be replaced that were destroyed by weather. A class on radio use will be scheduled soon.

Treasurer Report: Rick presented financials. Bob approved the financials Herman seconded and all in favor.

Citizens Request: No requests.

Meeting adjourned. The next scheduled PVLAD meeting will be May 3, 2023
