Welcome: Meeting called to order by Mary Esther

Minutes from April 2023 Meeting: Bob approved the minutes, Herman seconded, and all were in favor.

Board Member Reports: Mike reported the county is working on improving our weather-damaged roads and culverts.

Herman reported that he and Steve went to a meeting in Brookside regarding the fire department issues in Central. An additional meeting will be held in Central on May 8th.

Bob attended the water irrigation annual meeting. The backup generation project has been delayed, however, they mentioned wiring and preparing it for any possible future use. They discussed water rates; no motion was made to raise or change the rates. The last rate change was in 2010.

Fire Chief Report: Deputy Chief Tom Nielsen reported the fire and EMS calls in April. Three EMS calls and one Public Assist call for sandbagging at the dump. Ice Rescue Training at the Pine Valley Reservoir was successful, and a few agencies assisted and observed.

Treasurer Report: Rick presented the financials. Bob approved the financials, and Allen seconded, all in favor. Rick mentioned that no Pine Valley building permits have been issued so far this year. He asked the board if the fire department could have credit cards for each vehicle to use for fuel. Currently, Veyo bills the department for fuel, but that is no longer an option. Bob approved the credit cards, Allen seconded, and all were in favor.

Citizen Requests: None
