Pine Valley Local District's Administrative Control Board
August 4, 2021

Attending Board Members: Allen Cannon; Vice Chairman, Rick Peetz, Treasurer; Steve Shakespeare, Fire Chief; LaDawn Christensen, Secretary; Bob Dalley, Mike Stucki
Excused: Frank Davie; Chairman, Herman Nordbruch
Attending Guest: Leslie Dunkleman, Scott Dunkleman, Ray Lindblom, Robert Bailey, Karan Anderson, Ed Anderson, Audrey Krohn, Duane Krohn

Welcome: Allen Cannon

Minutes from June 2, 2021: Bob approved, Mike seconded and all in favor.

Board Member Reports:

Allen Cannon, health related Pine Valley activities: No activities to report.

Bob Dalley, traffic report: Bob reminded the group that we pay a fee for the data coming from the electronic speed limit signs. He reported the sign data for July.

1. Speed limit sign west of the chapel for westbound traffic had 17,200 vehicles pass by this year compared to 15,900 last year. This year 88% of the traffic stayed below 30 mph or under, the same as last year.

2. Speed limit sign east of the chapel for eastbound traffic had 27,262 vehicles pass by this year compared to 28,900 last year. 89% stayed below 30 mph last year, compared to 89% last year.

3. Speed limit sign east of the Brandon Iron for westbound traffic had approximately 16,000 vehicles past this year, the same as last year. Last year 75% of the traffic stayed below 30 mph compared to 86% this year.

Mike, Five County report: Mike reported that the state spent approximately 6 million in grant money last year to fire departments and civic buildings (additions to existing buildings or new construction). The grant is mostly used for firefighting equipment. Mike will approach the county to find out who he can coordinate with to take advantage of these grants.

Home Fire Alarms: Steve stressed the need for part-time residents to have a fire alarm system in their homes. Smoke detectors are only good if someone is home. Allen suggested a flyer be sent next year in the PVSSD fire assessment mailings. Ray Lindblom mentioned that fire alarms are only good for 10 years and then expire.

Treasurer Report: Rick presented financial. Bob approved and Mike seconded.

Citizens Request: Bob and Ray discussed with the board solutions to deter large items (appliances, construction materials, large tree limbs, etc.) placed at the Pine Valley dump that should be taken to the Central dump. It was mentioned that if it continues to be a problem, the county will close the dump. The dump issues will be added to the agenda going forward.

Meeting adjourned.

The next scheduled PVLAD meeting will be September 1, 2021.
