Herman reported the county has peaked with the number of bookings in the last 5 days since he started keeping track. Most likely due to the July 4th holiday.

Emily Neilson reported the Pine Valley Overlay Zone is on the upcoming county commissioner's agenda and encourages attendance. If approved, it will be effective two weeks later. Emily suggested a time change for the Pine Valley Local Administrative District, it was discussed, and no decision was made. It will be on the agenda for August.

Emily led a discussion regarding the overlay zone process, and the forms that would be required and reviewed as part of our future meetings.

Community Watch: Allen and Gene are trying to meet Sergeant Aaron Thompson to update him on the progress being made with the Pine Valley Community Watch. Gene reported 84 families involved with the program. Thirty people attended the last meeting on radio training. Herman is working on arranging meetings with other communities.

Treasurer Report: Bob approved, Herman seconded, and all in favor.

Citizens Request: No requests.

Steve suggested the board work with the county for funding in the future in the event the Special Service District is combined with another district.
