2024 Proposed Fee (Public Hearing): Tom explained the reasoning for the public hearing, in that the annual fee for the Pine Valley Local Administrative District was included in the annual fire assessment fee billed by the Pine Valley Special Services District. Tom closed the PVLAD meeting and opened the meeting for the public hearing, limiting it to two minutes per person and five minutes if representing a group.

2024 Proposed Fee (Public Meeting): There were no public comments. Emily moved that the 2024 proposed fee would remain flat at $20 for residential homes and nothing for vacant lots. Herman seconded and all in favor.

The public meeting was closed, and the PVLAD meeting continued.
