The minutes of the October 3, 2018 meeting were read by each Board Member. Bob motioned to accept the minutes. Allen seconded the motion, and all were in favor.

Building Permits to Review

There were no building permits to review. Steve mentioned that the new house being built above Sydney Izatt needs a designated road. He had talked to the County Inspector about this matter. It is a county road and needs to be improved up to the house with a turn around for a firetruck. He will follow up on this. Allen offered to talk with the inspector.

Board Member Reports

Bob asked Larry if he had anything to report concerning the water in the valley. Larry reported in the last week they had worked on a spring and were able to repair it. Larry will continue to report information to us about water in the valley.

Fire Chief Report

Steve went over the seven incidents in the last month. He also helped a young man who had locked himself out of his car. Larry asked about the house fire we had earlier in the month. Steve reported he had talked to the State Fire Marshall about the fire and they were unable to determine the cause of the fire. Steve brought up the fire hydrant situation in the Valley. Lloyd Canyon is his main concern. He is requesting that next year we put in

15 new fire hydrants. Steve will bring a map to the next meeting showing where he suggests the new hydrants are needed.

Rick presented the proposed budget for 2019. It was asked if we should raise the Residential Fee Assessments to match inflation or to leave it as is for next year. It was decided to leave it as is for next year. Steve estimated $75,000 for 15 new fire hydrants. Allen made a motion to approve an allocation of up to $75,000 for the new fire hydrants, Bob seconded, and all were in favor of the proposal. The Local District Board was asked if the amount they received last year was sufficient for law enforcement. They agreed and asked for enough to buy the two radar signs they voted to buy. The rest of the budget was discussed and will be ready for the meeting next week.
