Welcome: Frank Davie

Minutes from January 2022: Bob approved, Mike seconded and all in favor.

Board Member Reports:

Bob Dalley, traffic report: January had less traffic compared to last year.

Herman Nordbruch, county crime report: Current bookings much higher than normal. No significant activity to report in Pine Valley.

Mike Stucki, five-county public health report: Heat Program is being pushed, where you can donate to assist others if they don't have funds for adequate heating. Currently, several pharmacies are reducing hours, and limiting vaccinations due to staffing issues and illness. The flu is on the uptick and they are encouraging people to get their free COVID home test.

Community Watch: Gene Phillips reported six Community Watch signs were installed last week throughout the valley. Community Watch letter will go out with the PVSSD assessment next week.

Home Fire Alarms: Steve reported the Ring alarm system has a sensor that once a smoke alarm is activated the sensor activates and notifies property owners. Internet is required. This can be a solution for residents in the valley.

Pine Valley Dump: No issues.

Treasurer Report: Rick presented financials. Bob approved and Herman seconded.

Citizens Request: No requests.

Meeting adjourned.

The next scheduled PVLAD meeting will be March 2, 2022
