Pine Valley Activities - Frank mentioned a community Summer Barbeque on June 8th on the church lawn.

Traffic Report - Tom reported that traffic is seasonally strong, and the sheriff is frequently in the valley.

Washington County Crime Report – Herman reported that the jail population had declined this last month after four months of increases. He discussed three known issues in the area: 1. A home on Pony Lane was broken into through an unsecured door. The house had just been sold, and no items were available to be taken. 2. Another home on Pony Lane was broken into, and a report was filed. 3. The report of a homeless encampment at Baker Dam was unfounded.

Five County Public & Pine Valley Health Report: Robert noted that rabies was reported in bats in Washington County.

Widing Main Street/Walking Path: Steve mentioned that adding a walking path to anything east of the Brandon Iron would be difficult for the county. He doesn't believe this will happen soon.

Community Watch: Gene reported a call to action on June 15th and emailed all to participate at 3:00 p.m. At 4:00 p.m., they will go through emergency procedures on FM 96.1. Four additional families were added to the program through the Community Watch information on the assessment fee mailing letter.

Tom thanked Scott for donating funds for the community bulletin board Plexiglass.

Sheriff's Office Report: Discussed under the Board Member Reports.

Treasurer Report: Rick reported on the May financials. Frank moved to approve the financials, Herman seconded and all in favor.

Citizens Request:

It was mentioned that cows are now in the valley and on the roads.

Rick discussed the new policy that Pacific Corp will shut down the high-voltage power lines whenever a fire gets within 6 miles of them. This is due to the lawsuits and litigation that happened in California. Dixie Power met with state legislators and the governor, expressing their concerns that it would cause our customers extreme hazards and potential harm. If this cannot be resolved shortly, he suggested citizens speak with their legislators regarding the issue. Dixie Power will update us and let us know when they need our assistance.

Herman made a motion to adjourn; Frank seconded, all in favor.

Meeting adjourned. The next scheduled PVLAD meeting will be July 3, 2024.
