Allen reported to Lt. Thompson regarding what's going on in Pine Valley concerning the Community Watch program.

Bob reported the traffic for last month was generally up from last year, and most are staying in compliance with the speed limit.

Herman purgatory bookings are at an all-time high since taking record. Releases are at a second all-time high. Purgatory population is on the low end.

Mike mentioned a small uptick in Covid19 cases in the county.

Community Watch: Nothing to report.

Mail Building: Allen met with the Forest Service District Manager Larry LaVarti regarding the proposed site for the mail service building on the nine acres where the fire station is located.
