Welcome: Meeting called to order by Bob

October Meeting Minutes: Herman approved the minutes, Allen seconded, and all were in favor.

Board Member Reports:

Steve Shakespeare commented that the new consolidated PVSSD could change its name in the future if others in Central and unincorporated Enterprises don't like it. A 90-day comment period is upcoming. A December public hearing will be announced, and Steve encourages Pine Valley residents and others to come.

Bob reported that the invoice for Red Rock Paving is $30,670.80. The fund-raising dinner committee will pay $22,000, and the fire department will pay the remainder.

Allen presented a state auditor's report regarding impact fee reporting. Rick mentioned that what we turn into the state is not much different than what is in the report. Allen mentioned errors the state sees as non-compliant, and Pine Valley has not had any non-compliance issues reported from the state.

Fire Chief Report: Tom reported two callouts in October, both EMT calls for a traffic collision and a home alarm, which were canceled. 4-man hours and 0 equipment hours were reported. Brian presented a detailed statistical report of the fire department and EMT number of calls, types of calls, location area, if the call was for a Pine Valley resident or visitor, a time-of-day breakdown, average responders per call, and estimated personal hours involved. The report breaks down the training hours by volunteer fire and EMT personnel and the total hours volunteered. The report includes all individual volunteers and their at-station, on-scene, and total response count. Brian and Claudia gathered the data.

Short-Term Rental (STR) Fire Inspections: Tom noted that this is ongoing, and Chief Hardy will follow state fire codes for all Pine Valley STRs. He presented and handed out the Hurricane Valley Fire District Vacation Rental Requirements.

Treasurer Report: Rick reported the October financials. Mike approved, Herman seconded, and all in favor. Rick noted that all unpaid impact fees have been sent to the county for collection.

Preliminary 2024 Budget Review:

The board reviewed the budget prepared by Rick. Declined this new proposal and will hold it until after the county completes the northwest fire district assimilation. Rick will file the data again from the 2023 budget for 2024 with the State of Utah in December, then revise it as necessary when and if we combine districts.

Citizen Requests: None

The next scheduled PVSSD meeting will be on December 6, 2023.

PVSSD Board Meeting adjourned.
