Board Member Reports

John wanted to thank all the firemen in the Valley for working so hard and many hours during the fires. He also wanted to thank Joe Rechsteiner from the Dixie National Forest for his help with clear cutting during the fires. John also mentioned as no one at this time was in charge of the roads, he would like to take over the job and everyone agreed.

Dall mentioned the roads have been worked on in the West end of town. He will check with Justin Evans as to the progress on fixing some of the fire hydrants.

Mary Esther asked about the status of the fire hydrants and do we have a sufficient number of them. Gerald said we did have the number we should have.

Fire Chief: Gerald gave us a copy of the Chief's Report 6 July 2016. He asked Laurett to comment on the EMT call outs. She talked about the 4 call outs they had. Rick talked about the fire truck accident after the deer hit the truck. It is now fixed. He mentioned we would be looking at the insurance contracts in October.

Treasurer Report: Rick Peetz read and explained the "Balance Sheet" dated June 30, 2016, the "Profit & Loss Sheet" dated June 2016, the "Profit & Loss Detail" dated June 2016 and the "Profit and Loss Budget vs. Actual" dated January through June 2016.
