Board Member Reports:

Allen commented that Community Watch is part of the sheriff's office report and suggested it be combined. Going forward, both will be combined on the agenda and discussions.

Bob discussed the traffic with the two working electronic traffic signs. Nothing significant. Two out of the four signs are damaged due to the weather and require repair or replacement. Rick will check with insurance about replacing them. The electronic signs are about $5,000 apiece.

Herman reported the county crime report. He mentioned an article regarding stolen wallets in major stores in St. George. Purgatory bookings are within normal parameters.

Community Watch: Gene reported that Herman found an FM transponder radio that could be used for backup emergencies. Gene purchased the radio, and they are testing it. Allen made a motion to reimburse Gene for the FM radio, Bob seconded, and all in favor. Gene will be calling block captains to determine who has radios and other equipment. New and more secure Community Watch signs will be replaced soon.

Mail Building: Allen is coordinating a date with Forest Service Ranger regarding Forest Service property and approval for a building.

Treasurer Report: Rick presented financials. Allen approved the financials, Herman seconded and all in favor.

Citizens Request: No requests.
