E. **<u>Update Policies and Procedures – Emily:</u>** Emily distributed a draft of the PVLAD policies and procedures. After reviewing recommended Utah state templates, she modified the policies and procedures for Pine Valley. She explained the handout and what was included and asked the board to review it.

Emily presented a mission statement for the Pine Valley Local Administrative Board. After review, Bob approved the mission statement, Tom seconded, and all were in favor.

Pine Valley Local Administration District Mission Statement - To enhance the 'sense of place' in the Pine Valley community by interfacing with other government agencies to improve public safety, to ensure an effective volunteer community Watch program and through monitoring implementation of the Pine Valley Overlay Zone.

F. **<u>Community Watch – Tom & Gene Phillips:</u>** Gene reported that he and Herman met with Sheriff Brooksby and Lt. Fuller to discuss the Community Watch program. Sheriff Brooksby and Lt. Fuller said it's the best such program of all the communities in the county, and they were very pleased with it. They discussed the organization, radios, repeater system, call to action, the blog, and the Nextdoor communication process. Emily asked Gene if they had received clarification from the sheriff for an old resolution on the original charter for providing extended police protection. The sheriff defined it as extra money provided for additional presence by law enforcement in the valley.

G. **<u>Clerk Report:</u>** Rick reported only an interest transaction last month.

H. **<u>Treasurer Report:</u>** LaDawn reported the financial report. Bob moved to approve the clerk and financial report, Herman seconded, and all were in favor.

I. **<u>Citizen Requests</u>**: Brian asked for clarification, saying it sounds like the law applies to law enforcement officers, not the community watch, who are given additional responsibilities and privileges. He asked if the board intends to change the SOGs to clarify that. Tom answered that he does not see any need to make any changes to the Community Watch SOG and that we do nothing unless the sheriff tells us to. Gene mentioned that Lt. Fuller was engaged and very pragmatic. Lt Fuller also offered to come to Pine Valley and talk about the community watch and how they would interact with it, etc.

Bob moved to adjourn the meeting, Herman seconded the motion, and all in favor. The next scheduled PVLAD meeting will be on March 5, 2025.
