General Business: Meeting called to order by Larry. The June 3rd minutes were motioned to accept by Bob, seconded by Frank, and all approved.

Treasurer Report: Rick presented the PVLD Profit and Loss June 2020, P & L Detail Jan-June 2020, P & L Budget vs. Actual Jan-Dec 2020, Balance Sheet Prev Year Comparison June 30, 2020, Edith Green Fund P & L June 2020, E. G. Fund Bal Sheet Prev Year Comparison June 30, 2020 (see Doc. Pgs 1-6). Financials did not include interest. Motion to accept financials by Bob, seconded by Allen, and all in favor.

Traffic Report: Rick presented data reports from 4 speed trackers on Main St. from 10/01/2019 thru 05/31/2020 (see Doc. Pgs 1-4). All agreed they were helping to slow down drivers, but still indicated approximately 55% are speeding. Suggested that it may be beneficial to share this data with the Sheriff. Although, the board feels data validates the decision not to contract additional law enforcement services.

Citizen Concerns: Emily Nielsen updated the board on the status of the recreational development on the east side of PV. Issue will likely be on the county's agenda for September, but not July. She has received over 595 signatures or 92% opposition indicated on questionnaires from full-time residents. She is planning to set a meeting with the planning commission and suggested it may be beneficial to have a board member attend.

The next scheduled PVLAD meeting will be August 5, 2020.

PVLAD Board Meeting adjourned by Bob, seconded by Allen, all in favor.
