Welcome, Prayer & Pledge of Allegiance: Meeting called to order by Frank. Frank provided the prayer, and Allen led the pledge.

Pine Valley Overlay Business: Aaron Sandvik requested the board approve the overlay for a barn to be built on his property. Mike pointed out that the building may not be permitted by the county since a single-family residence is not on the property. The board approved the barn and Aaron paid the impact fees.

Emily reported the county updated the Short-Term Rental (STR) codes. The county's main goal is to have the STRs be more consistent with a normal neighborhood. Most specifically noted is all STRs must have an annual fire inspection. It will be addressed in the PVSSD meeting.

Minutes from July 2023 Meeting: Herman approved the minutes, Allen seconded, and all in favor.

Board Member Reports:

Bob mentioned the electronic traffic sign traffic and the amount of traffic is much lower than in the past two years. 80% of the traffic is 30 mph or lower.

Herman reported the county crime report, nothing out of the ordinary.

Community Watch: Gene discussed the current updates to the program and the radios. The program in Pine Valley now has 100 families. The FM station has been tested, and he suggests it can be used for events. He noted that if the repeater fails on the west side of the valley, the FM radio can be used. He proposed a backup FM transmitter, cables to connect the transmitter, flash drives to record different radio programs, and two microphones to connect to the transmitters at approximately $277. Mike approved the purchase, Bob seconded, and all in favor.

Sheriff's Office Review: Nothing significant to discuss.

Mail Building: Allen noted the new Forest Service Ranger for DNP is Joe Rechsteiner, whom he will work with regarding the building. Joe has been a ranger for DNP in the past and is familiar with Pine Valley.

Treasurer Report: Rick presented financials. Bob approved the financials, Herman seconded, and all in favor.

Citizens Request: No requests.

Meeting adjourned. The next scheduled PVLAD meeting will be September 6, 2023
