Pine Valley Local Administrative District Board Meeting
July 5, 2023

Attending Board Members: Frank Davie, Chairman; Allen Cannon, Herman Nordbruch, Mike Stucki
Excused Board Member: Bob Dalley
PVLAD Assistants: Rick Peetz, Treasurer; LaDawn Christensen, Secretary (excused); Emily Nielson, Overlay Zone Advisor
Attending Guests: Gene Phillips, Robert Hardy, Scott Dunkleman, Laura Stachel, Mary Esther Putnam, Brian Davis, Rick Albee, Scott Benson, Robert Hardy, Claudia Davis

Welcome: Meeting called to order by Frank. Prayer was given by Bob, and the Pledge of Allegiance was led by Allen.

Pine Valley Overlay Business: Frank brought up the group discussed the lack of building or home sales this year. Only one permit was issued for a garage.

Minutes from May 2023 Meeting: Herman approved the minutes, Bob seconded, and all in favor.

Board Member Reports:

Franks discussed the 4th of July parade, the program and participation and how well it went.

Bob discussed the electronic traffic signs, asked if we could fix #1 sign. Rick said that it was destroyed but he had filed a claim with our insurance for it.

Herman reported the county crime report. He mentioned that people are not locking their car doors.

Community Watch: Gene discussed the current updates with the program and the radios. Twenty-eight new people and it is up to 99 families. A radio class was held in June. A call-to-action test will be held July 8th, where they will also test the FM radio station. The FM station is 96.1. Frank mentioned the HAM radio system is tested twice a month. During any catastrophe, we would be able to communicate with the world. Gene will be testing and calibrating the Geiger Counters. Gene asked if the sign near the chapel for flyers could be moved, and the board suggested it stay for information for entry into the valley.

Mail Buildings: Allen mentioned that the new forest service ranger is in place, but not up to making any decisions regarding the property for the proposed mail/community building.

Treasurer Report: Rick presented financials and answered questions. The accountant finished the audit, and it was submitted to the state and county. Bob approved the financials, Herman seconded and all in favor.

Citizens Request: Albee discussed the winter access problems on Oakridge Drive. He will provide pictures and additional data. They need access 100% of the time, it's a life hazard, and asked the board to approach the county. Mary Esther will discuss this with the county. Mike is concerned the street is too complex to make any improvements.

Meeting adjourned. The next scheduled PVLAD meeting will be August 2, 2023
